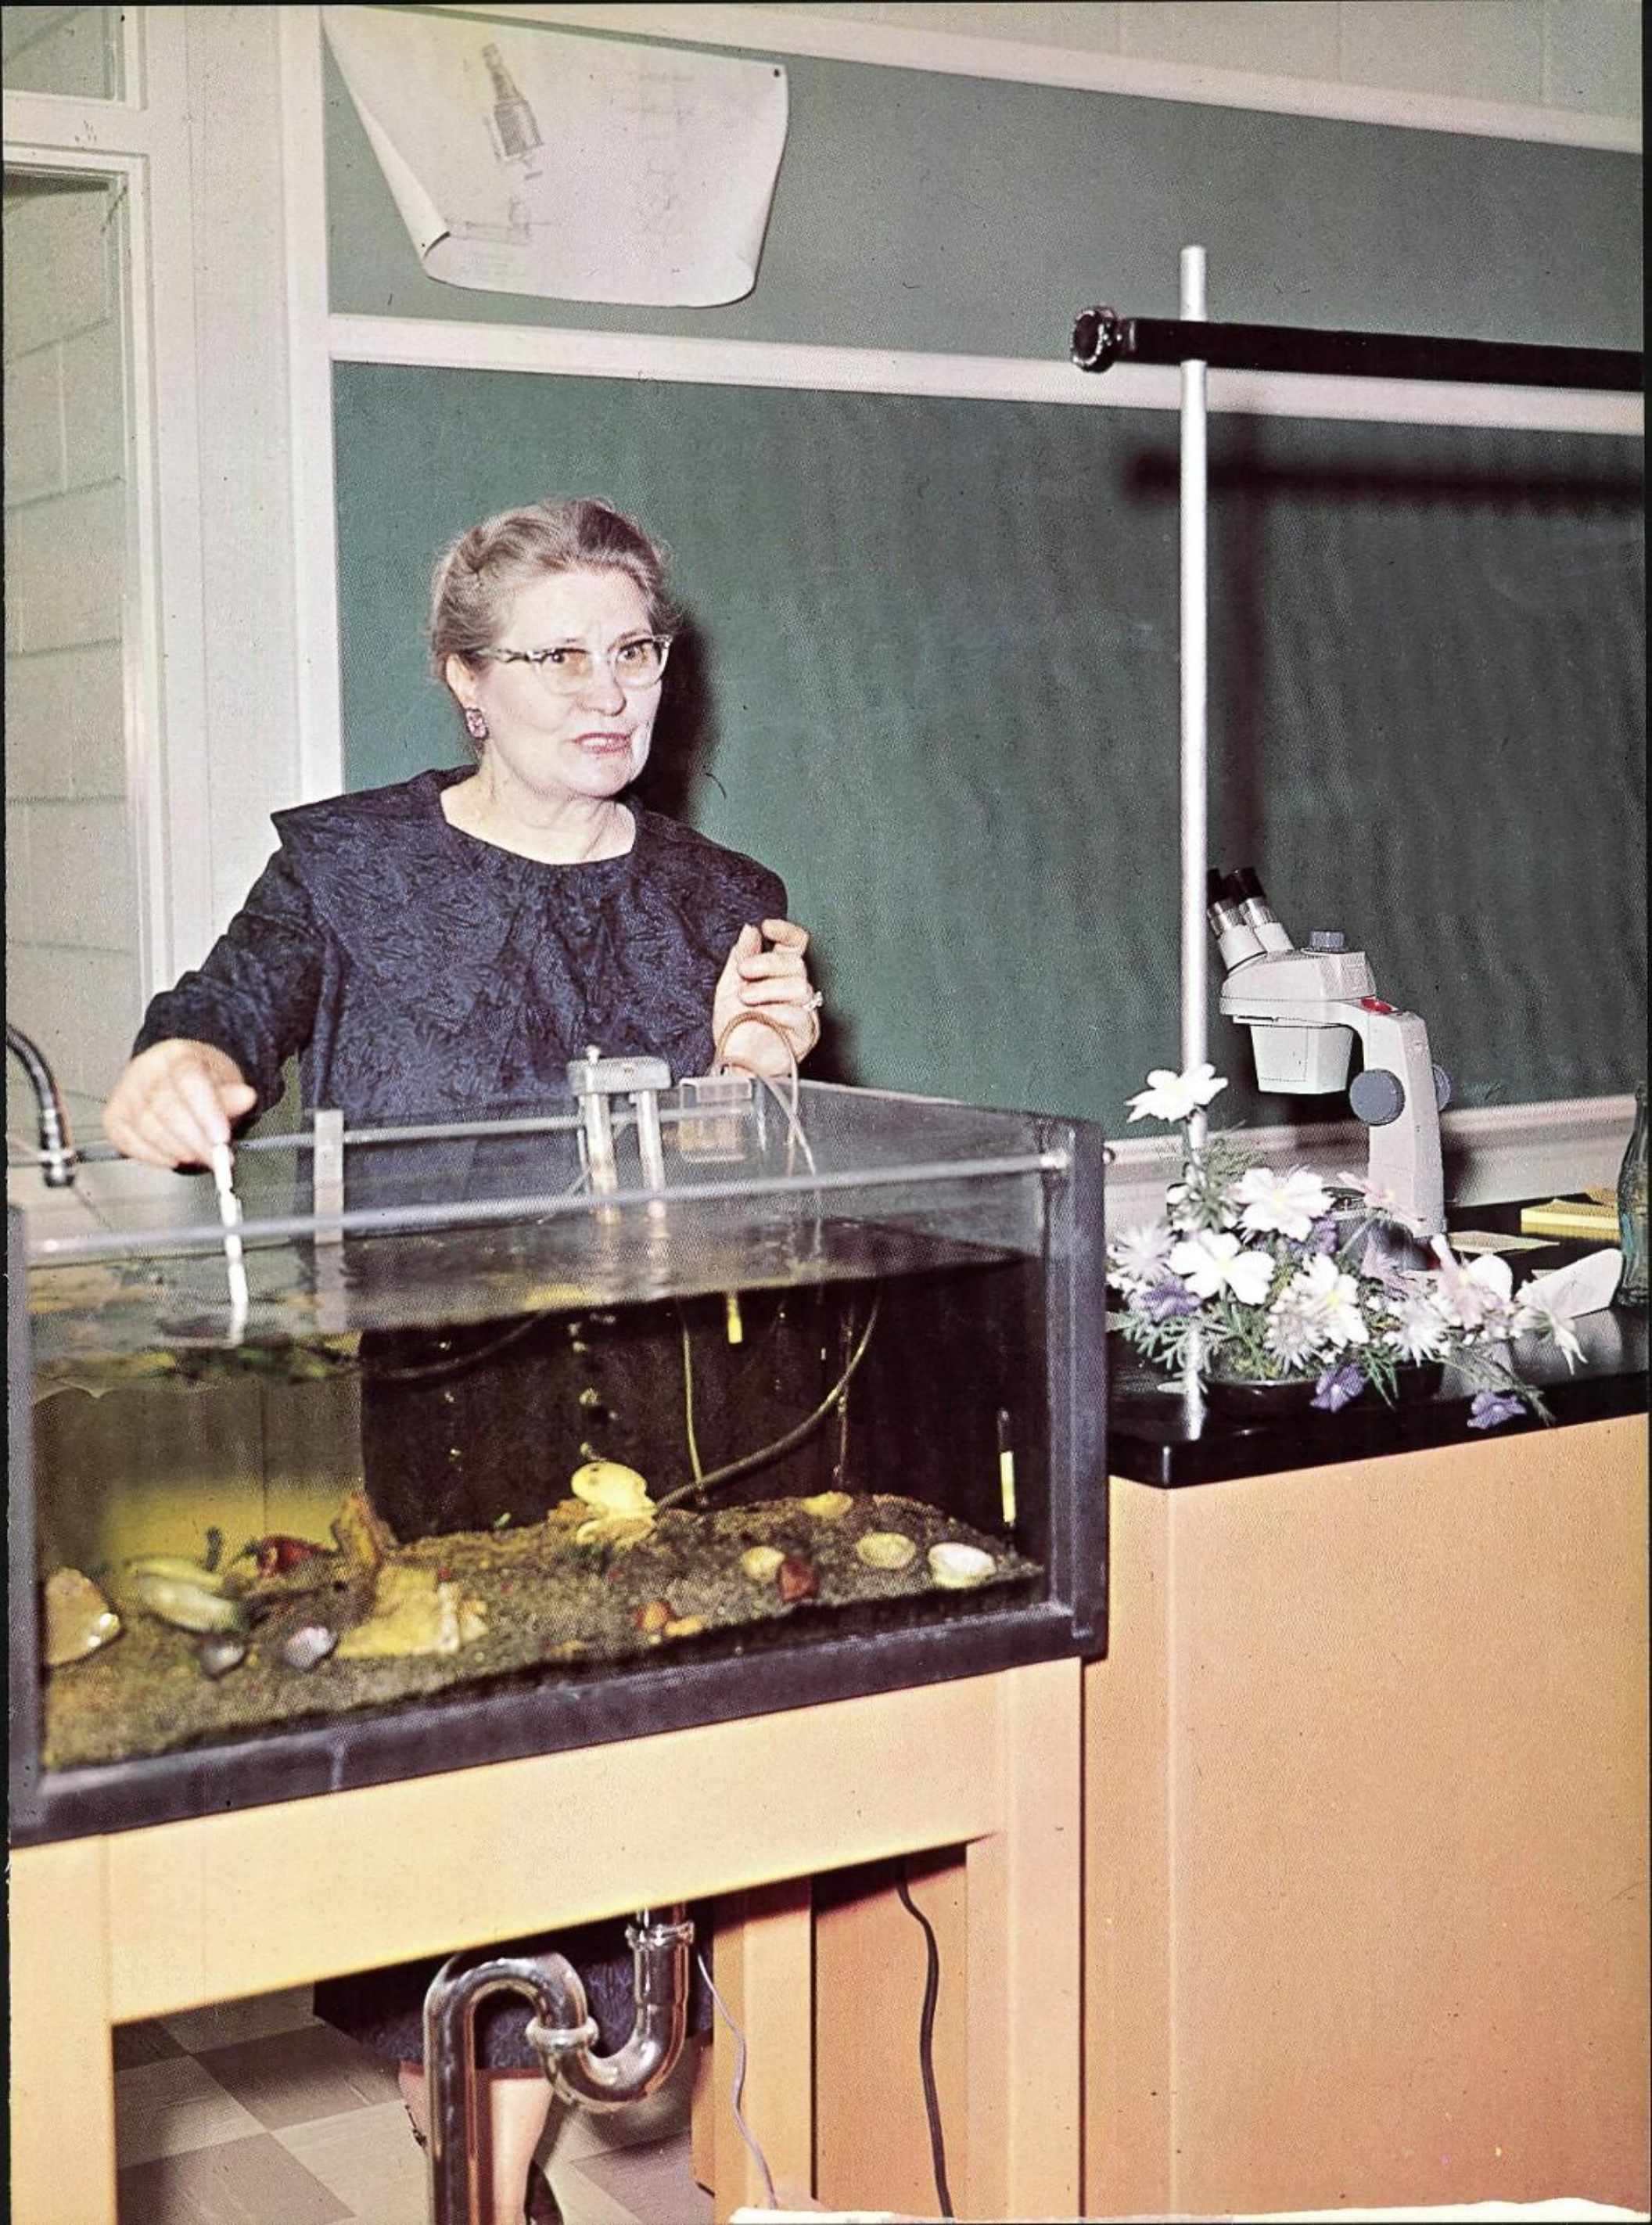
with us you rate

Mrs. Gertrude Johnston is always ready to lend a hand to her students.

There are very few students in SHS who have not had the good fortune to be associated with Mrs. Gertrude Johnston. Her charm, dignity, and zeal are characteristics familiar to us all. For giving us knowledge, for teaching us perseverance, and for instilling in us the desire to do the thing well, we thank you and with all our love we dedicate this 1963 Bulldog to you.

Biology comes to life with the inspired teaching of Mrs. Johnston.

Gardening is Mrs. Johnston's favorite hobby.



foreword

Before you venture along in this book, there are just a few things we would like to say before we turn it over to you.

As you turn through these pages on a mythical tour of SHS we only hope that you may catch a glimmer of the meaning of this theme. We hope that if, in future years, you dust off this book and once more turn through it, you may again, in your memory, be brought back to wander through this grand old school. If, at that far distant time, the sight of these pictures or the sound of these words give you a thrill of recognition, this book will have gone a long way toward achieving its aim. If it can recreate a day at SHS for only a moment, then all the work that has gone into its creation will be fully justified.

Within these covers you will find the campus and buildings just as you have seen them, just as they look day after day. You will get a glimpse of students at work in class and at play, just as you might if some day you wandered down the corridors of the buildings. Their faces will look out at you again, some to smile and some to frown. There is a girl that sat on the front row in English and passed notes to the girl behind her. That boy lived in the house next door. He's a great guy; she's a smooth dancer; and so on down the list. You'll know them when you see them. Some of them will be old friends, some merely nodding acquaintances, but all a part of a day at SHS.

Here, too, are the football games, the dances, the basketball games, parades, election days, and all those other things that follow around the clock. Work, study, play; twenty-four hours a day.

So, this year the BULLDOG has attempted to give you the school today caught in pictures and bound between covers for your future enjoyment. Read this book for enjoyment and reread it for memory's sake. May it be a lasting reminder of happy days, good friends, and pleasant places.

board of directors

works constantly to improve our schools

An hour glass does not hold enough grains of sand to measure the busy hours that Springdale's school administrators and school board devote on behalf of the city's young people. We at SHS, unquestionably share the public's appreciation of their tireless efforts and keen interest.

Expanded tasks faced them this year with the 1962-63 peak enrollment, the need for more space, more equipment, more teachers. The two new elementary schools are already overflowing, necessitating an expansion of Lee school, and plans are under way to continue the expansion that has come about with Springdale's rapid growth in the last ten years.

The public school administration and the Board of Education are dedicated men who must be able to "sell" educational needs to the community. Mr. Kelly's office is a beehive of activity, all turned toward one goal, the giving of one of the best possible educational facilities to Springdale's youth.

Superintendent Kelly explains a point in the school budget to Board President Harvey Jones and Secretary Park Phillips.

Superintendent J.O. Kelly points to the rapidly expanding Springdale school district.

To the Seniors of 1963:

May I take this means of expressing my continued interest in your educational development. You, perhaps, are not fully aware of all the golden opportunities that come to the young people of your generation. You have at your hands all the physical means to prepare you to take advantage of training that will insure you a place of service both to yourself and to mankind.

As the years go by, I hope that you will be able to always cherish the memories of your days spent in your high school. All of your teachers will be pulling for you as you continue to plan for the future.

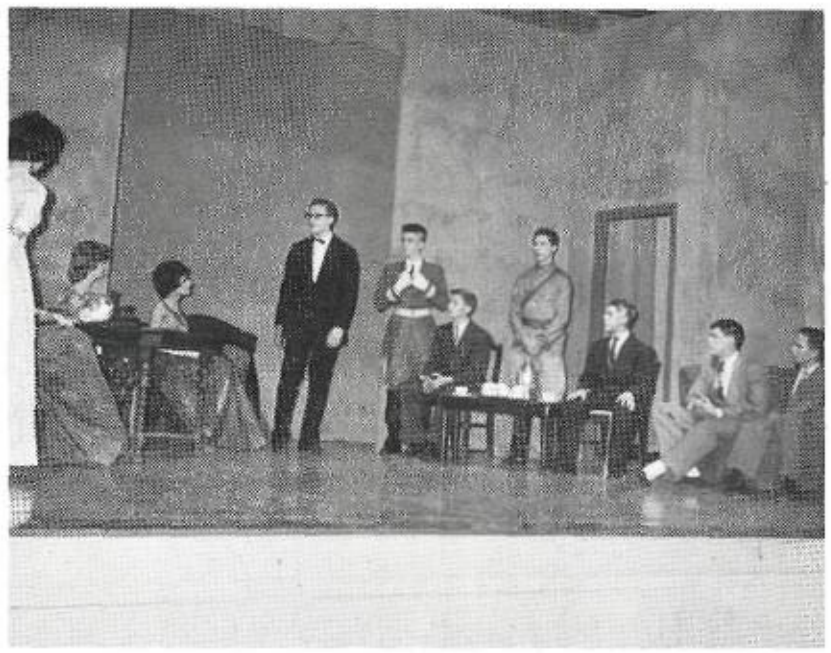
enthusiastic juniors present "the great sebastians"

The Great Sebastians is the story of a mind reading act in Prague in 1948. The Sebastians, played by Kenneth Sisco and Margaret Fitch, are informed that the very important General Zandek, Leroy Proctor, wishes them to perform for a dinner party he is giving.

Against their wishes they find themselves frantically trying to find information concerning the guests that may be used in their mind reading act.

Word comes that an important member of the government, who was a personal friend of the Sebastians, was dead. The Communist party attempts to make them say the death was a suicide and their friend a traitor. Of course, they couldn't do that and they are threatened with imprisonment.

All turns out well as the Great Sebastians use their wits to escape with their lives and a valuable postage stamp. Other members of the cast were Bruce Casavan, John Gillmore, Marjel Lane, Becky Dodd, Lois Buck, Mary Bain, Amelia Carter, Richard Peterson, Mike Ahrend, Gary Morris, Larry Martin, Jack Stevens, James Dodson, and Randy Smith.



Sebastian astounds the General's guests as he apparently reads their minds.

The Sebastians are told they will be prisoners unless they cooperate with the General.

upperclassmen present "night must fall"

Night Must Fall, a drama by Emlyn Williams, was the ambitious production of this year's Senior Class.

The story concerns Dan, played by Leonard Bowlin, a bellboy in a resort located in Essex, England. Becoming involved with Dora Parkoe, (Connie Allen) the maid at Mrs. Bramson's (Libby Ingrun) Dan is summoned to the Bramson cottage. Such is his charm that Mrs. Bramson is immediately taken with him adding him to her household servants. The murder of a guest at the hotel is traced to Dan by Olivia (Donna Petty) an unhappy niece of Mrs. Bramson, who attempts to shield the boy. Dan, grateful but powerless in the grip of his homicidal instincts plots the murder of Mrs. Bramson for her money. The police take him away to be hanged, leaving Olivia relived but desolate. Together members of the cast were Alan Epley, Bill Preece, Dorothy Nelson, Irene Sohl and Jerry Hayes.

Mrs. Drawson defends her using the services of nurse Libby to Olivia.

Inspector Billsize of Scotland yard questions the Bramson household.

Alan Epley portrays the Lord Chief Justice.

boy's and girl's state
teach government at first hand

The purpose of American Legion Boys and Girls State is an eight day training course in study and practical application of problems of self-government.

It is a well-planned and well-organized course giving our youth a chance to be trained, not only in theory of government, but in its actual practice and operation.

The young citizens divide themselves into groups and become members of two mythical parties. Cities and countries are established and a state government organized. Nomination and elections are held in strict accordance with the laws of the state, by use of established methods in voting.

Candidates for Boys and Girls State are carefully screened and the program of Boys and Girls State is highly specialized and competitive, and only youths with outstanding qualities are capable of participating in the intensive citizenship course of instruction.

One of the chief attractions of Boy's and Girl's State is the Canteen.

1963 marks the 23rd year in Arkansas of Boys State and Girls State, with the exception of one year during World War II. The American Legion and The American Legion Auxiliary sponsors Girls and Boys State and with the cooperation of the various civic organizations have sent a number of outstanding juniors from the Springdale High School.

A highlight of the week's activities is a visit to the state capital.

Political caucuses are a big part of the training program.

Flag ceremonies marked the beginning and end of each day.

Senior fullback Howard Cook was somewhat of an offensive standout as the Bulldogs plundered over the Huntsville Eagles 31-12 their first game of the season at Huntsville.

The 150 pound fullback scored three out of the Bulldog's five touchdowns as he piled up 177 yards. Coach Rex Yerby was also pleased at the work of his Juniors.

Fumbles and failure to get the usually outstanding Bulldog offense rolling were two of the big reasons for the scoreless tie the Bulldogs turned in when they battled the Bentonville Tigers. The Bulldogs started passing when their running attack fell apart. But due to a slight rain before and during the game, the ball was wet and there were many incompletions.

tackle, broke a hand in practice and was out of the game. Then on the opening kickoff the starting left tackle, Mike Ahrend, threw an elbow out of joint and was unable to complete the game. Ralph O'Bana and Brian Fields were the Buffalo standouts and the Bulldogs went down to the tune of 31-0.

When the Bulldogs took on Harrison the game became a nightmare as they took a 15-0 loss. Of the six official passes they threw, three were intercepted. Late in the third period Springdale began to move the ball. Sophomore Charlie Smith was grinding out yardage with ease when they tried the ariel route. Harrison's Johnny Filton grabbed a pass intended for Shaw at the 33 to stop the drive cold. From there on out, it was Harrison's game.

Van Buren's pass happy Pointers, although harrassed by Springdale's tough defensive line, completed two fourth-down passes to spoil the Homecoming game with a score of 13-0.

Had the contest been confined to the ground, it might have ended in another scoreless tie, but the Pointers found a weakness in the Bulldog defense and went to the airlanes.

Clean jerseys and smiling faces are seen before practice.

On the ground the Bulldogs showed improvement in moving the ball although they played without the services of fullback Charlie Smith and tailback Howard Cook. Springdale wound up with 84 yards rushing as compared with Van Buren's 131.

Fired-up Fayetteville scored two first period touchdowns with two minutes and went on to whip crippled Springdale 26-0 in the annual "battle of the Bulldogs."

Despite their net of 21 yards rushing and nine passing, the Bulldogs made two scoring thrusts. One was nulified when a runner stepped out of bounds and lack of offensive punch killed the other drive.

For a quarter and a half of the game with Siloam Springs the Bulldogs, sparked by the quarterbacking of sophomore Charlie Smith, performed like everyone hoped they would for the past five scoreless games. Then, sud-

denly, in the third period a pass interception, an injury, and a costly fumble knocked the props out from under them and allowed the Panthers to grab a last minute 13-7 victory.

The Bulldogs, on the downhill side of a hard-luck season were outclassed by a quicker, polished Tulsa Hale unit. Using three quarterbacks, the Rangers raced to a 40-0 victory on a fine mixture of passes and running.

Springdale moved the ball fairly well at midfield but the Bulldogs could never get past the Tulsa 30 and at no time posed a real threat.

The Bulldogs almost knocked Rogers off their pedestal but Rogers managed to inch ahead by one point and defeated the Bulldogs by 20-19. As Coach Yerby said, "It was one of the best the 'Dogs have played all year, and perhaps a sample of the team we'll have next year." Experience at long last was paying off for the Bulldogs.

Springdale ended their football season with a 13-7 defeat at the hands of Subiaco Trojans. Springdale tied the score 7-7 in the second quarter but the Trojans drove 85 yards for a late touchdown in the fourth period to win the game. A Springdale drive in the third quarter almost succeeded, but a fumble on the Subiaco 15 ended our drive.

This was, of course, a disappointing season for the coaches, the team, and the fans. But, in many ways, it was a rewarding one. Starting with a light, inexperienced team, the coaches were able to show a steady improvement from game to game.

Other bright spots of the season were the facts that neither the players nor the fans gave up. The team fought each game hard, as though trying to correct previous mistakes, and the crowds were just as large as last year when the Bulldogs won the championship. Indications are that the 1963 season will be a bright one.

The 1962-63 Basketball season reads like the story of the "Perils of Pauline." Game after game was settled by one point in the last few seconds. Starting with, for the most part, an unexperienced team, Coach Sanders rapidly developed his team into one which gave the crowd few dull minutes the entire season. The season opened December 1 with Bentonville playing on our court. Bentonville playing on our court. Bentonville came out on top with a score of 38-29 and thus the season's pattern was set. Springdale's high point men were Larry Bunch with 16 points and Charles Smith with 15.

In the next game played with Siloam Springs, the Bulldogs made a few mistakes and Siloam capitalized on them. Smith paced Springdale with 10 points on five fielders. Howard Cook got six points and the game ended 27-25 in Siloam's favor.

In the next game Fayetteville took advantage of eager Springdale's mistakes in the fading seconds to grab a hard-earned 37-32

Region 1AA victory.

With three players hitting in double figures and Springdale playing one of its poorer games of the seasons, the Alma Airdales raced to a 42-28 victory over the Bulldogs on December 11. It was Springdale's fifth defeat.

In their first Region 1AA triumph, the Bulldogs were led by Larry Bunch and Howard Cook to a 51-45 victory over the Subiaco Trojans.

Paced by the hot shooting of all-stater Paul Hill and taking advantage of Springdale errors, the Harrison Goblins smothered our Bulldogs 40-27 in the next game.

The Christmas vacation got off to a wonderful start when the Bulldogs out lasted St. Anne's in overtime 31-30. It was a real thriller with Charlie Smith high point man with 10 and Larry Bunch close behind with 9 points.

In their next account the Bulldogs suffered a painful first period and stayed cold as ice as they dropped the game to Van Buren 45-34.

Springdale played one of their better games of the season against Harrison but couldn't outshoot Bige Wray and Paul Hill and lost 48-35. The team handled themselves well making no bad passes but lacked the scoring punch.

Larry Bunch and Marvin Dandy seem to agree that if Siloam is going to be that mean about it then let them have the ball.

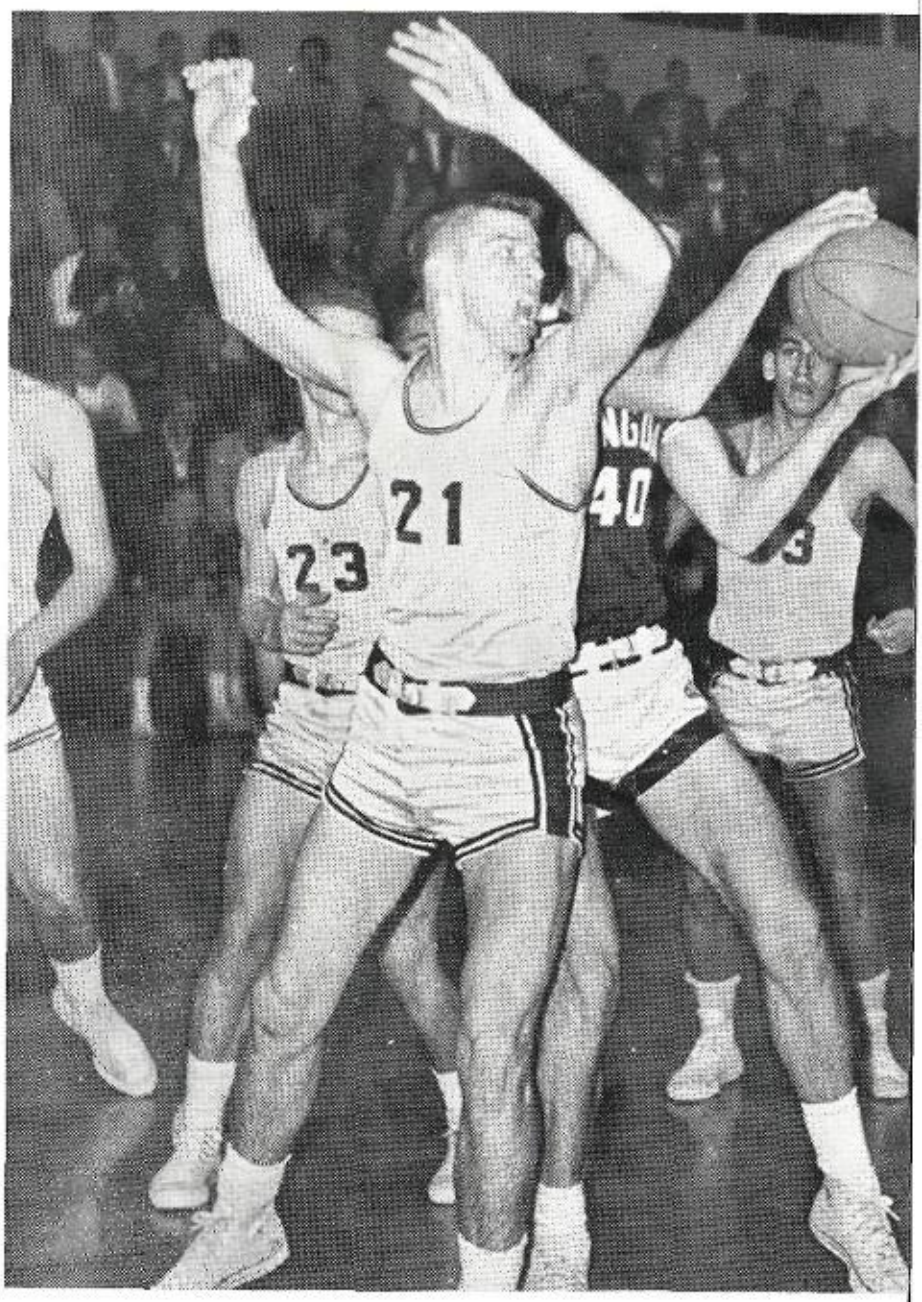
As the 'Dogs played their first game with Alma they blew a third period lead and fell 40-37. Larry Bunch, 6-3 senior postman, had his best night of the season as he crammed in 21 points on eight field goals and five of 10 free shots.

On January 10 Springdale lost number 10 by a 37-30 count to Siloam Springs in a long-winded affair that saw a total of 48 fouls committed. The Bulldogs, thank goodness, didn't win that contest either as Siloam committed 27 fouls to our 21.

In their next encounter, Springdale put forth one of their best all-round efforts, but when it was all over the cause was a losing one as visiting Rogers slid to a 41-38 victory in over-time. The Bulldogs got only two shots in the over-time, both by Charlie Smith, and Rogers rebounded the ball each time.

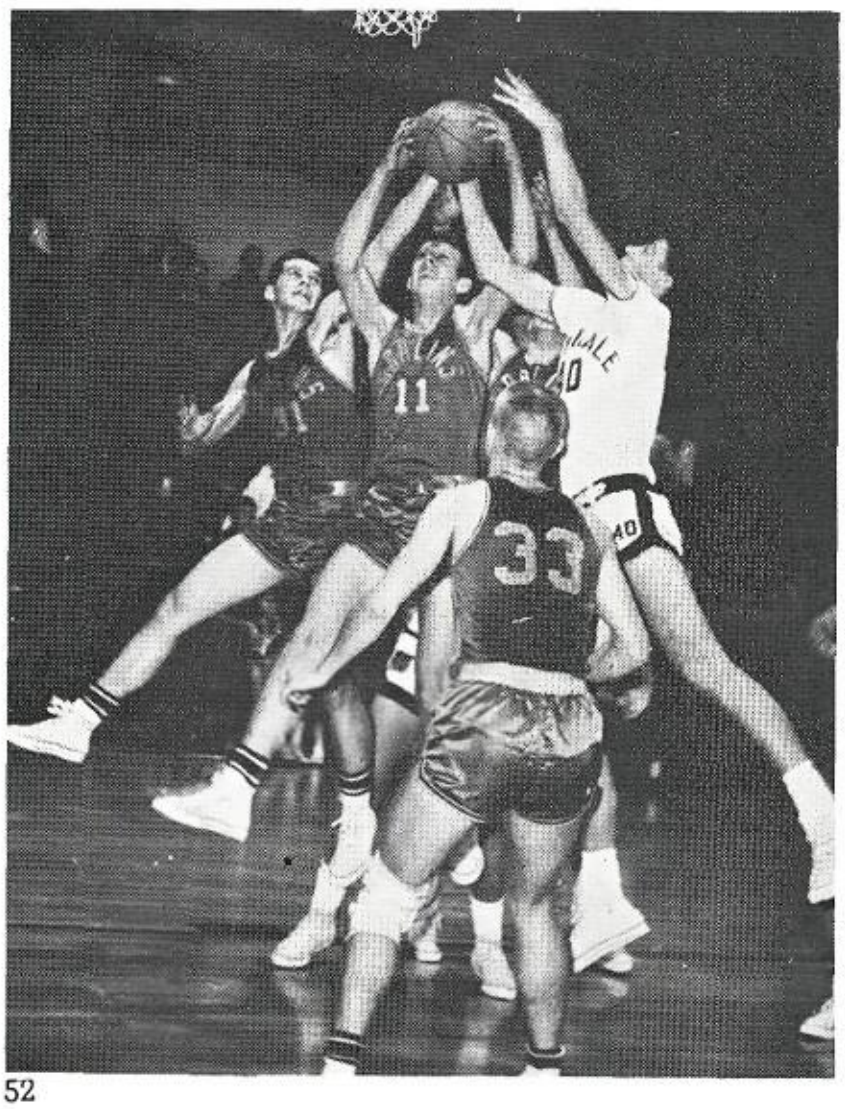
Springdale, unable to stop the inside shooting of big Fred Rice, and committing some costly ball handling errors, bowed to the Fayetteville Bulldogs 42-30 in a Region 1AA defeat.

On the following Friday night our boys had a cold third period that put them so far behind they couldn't catch up and Van Buren grabbed a 55-44 victory. Sophomore Charlie Smith and senior Larry Bunch again provided the scoring punch for the Bulldogs, Bunch with 15 and Smith with 13.



Although out-numbered, Bunch ends up with the top hand.

Springdale's center, Larry Bunch controls the ball, but a Siloam player seems to have something to say about it...



In the next game, Jim Evans, a junior, made his free shots count to give the Bulldogs a last second 43-42 triumph over Bentonville. Evans canned two shots with four seconds on the clock to turn the one point deficit into their seventh victory of the season.

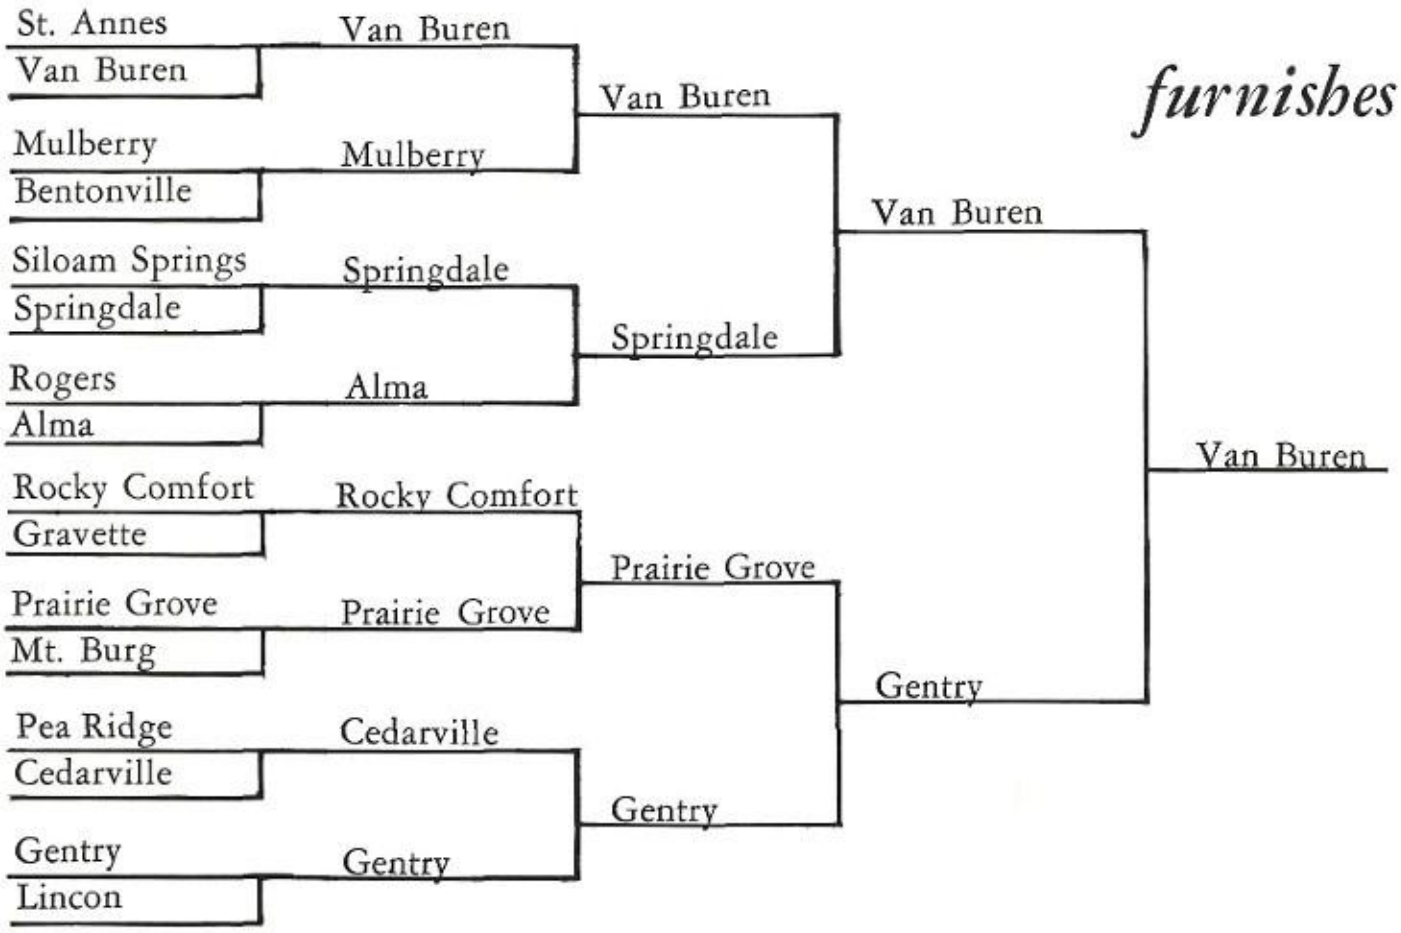
The final game with Subiaco was played along the same pattern as most of the others this year. The score was 37-36, but this time our Bulldogs were on the long side. Smith was once again high point man for both teams with 10 points with Kever second scoring 9.

The Bulldogs tripped St. Anne's 35-32 in an overtime at Fort Smith. Smith's total was 17 points with Bunch close behind with 16.

The Bulldogs closed out the regular season in a game that was a reflection of the entire season, loosing to Rogers 54-51. They led until the last two minutes of play when the Mountaineers overhauled them and then held on.

Scorewise we would have to say this year brought many disappointments but for thrills, team effort, growth, school spirit, and attendance, this year was as successful as anyone could desire.

36th annual invitational tournament *furnishes excitement*



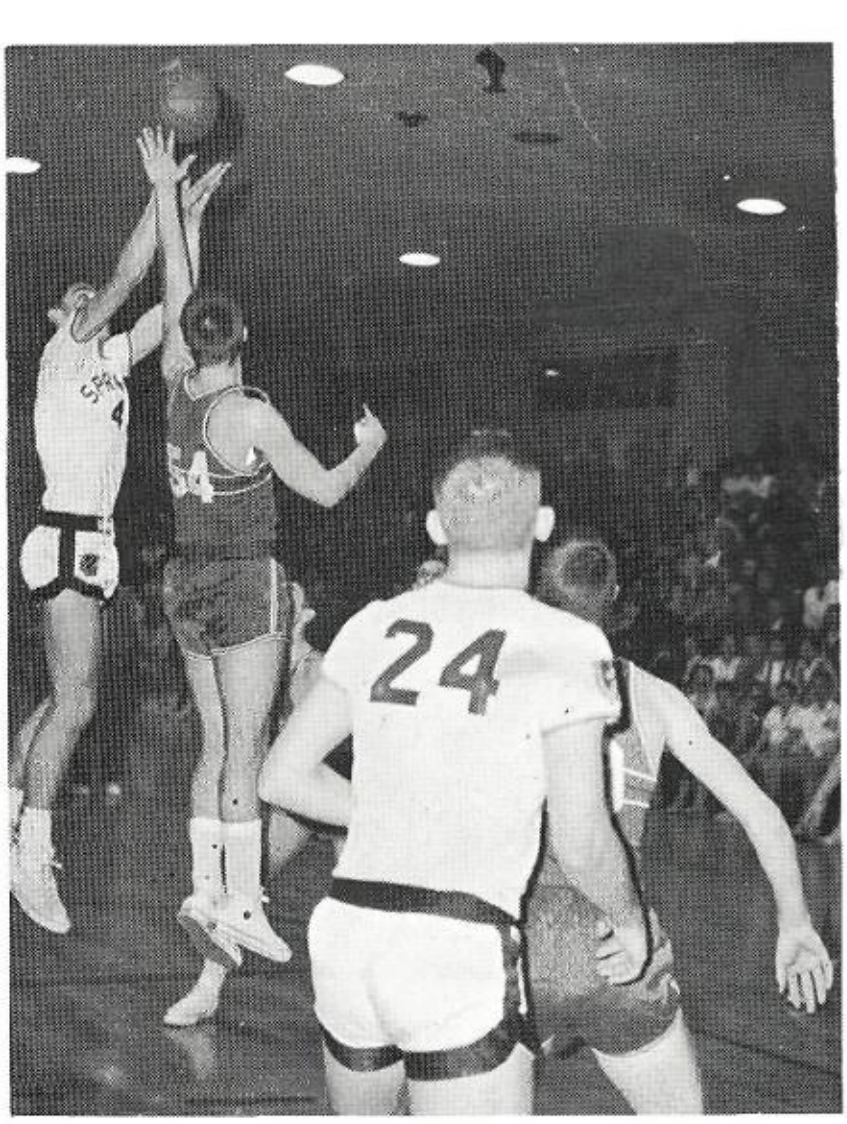
Van Buren's Pointers, playing in the style for which they are noted, stormed back from a ten point halftime deficit to overtake Gentry and then hang on for a 42-41 victory and the championship of the 36th annual Northwest Arkansas Invitational Tournament at the SHS field house.

In the consolation game Springdale, the team nobody thought would win anything, was never behind and went on to defeat Prairie Grove 48-33 for third place in the tournament. The Bulldogs lost to Van Buren 40-32 in the semi-finals.

Champion Van Buren, runner-up Gentry and third-place Springdale each placed two men on the all-tournament team. There were no repeaters from last year's team.

Picked from Springdale were senior Larry Bunch and sophomore Charlie Smith. Alvy Hays and Frankie Vines were the choices from Van Buren, while Bill Setser and Fred Ferguson were picked from Gentry.

Others named to the all-tourney team were: Jerry Willmon of Mulberry, J. C. Bailey of Cedarville, Mike Monchamp of Alma, and Eddie McClellan of Prairie Grove. Cedarville won the sportsmanship trophy.



Bunch again attempts a shot in spite of the screening hand from a Rogers player as Jim Evans prepares for rebound.

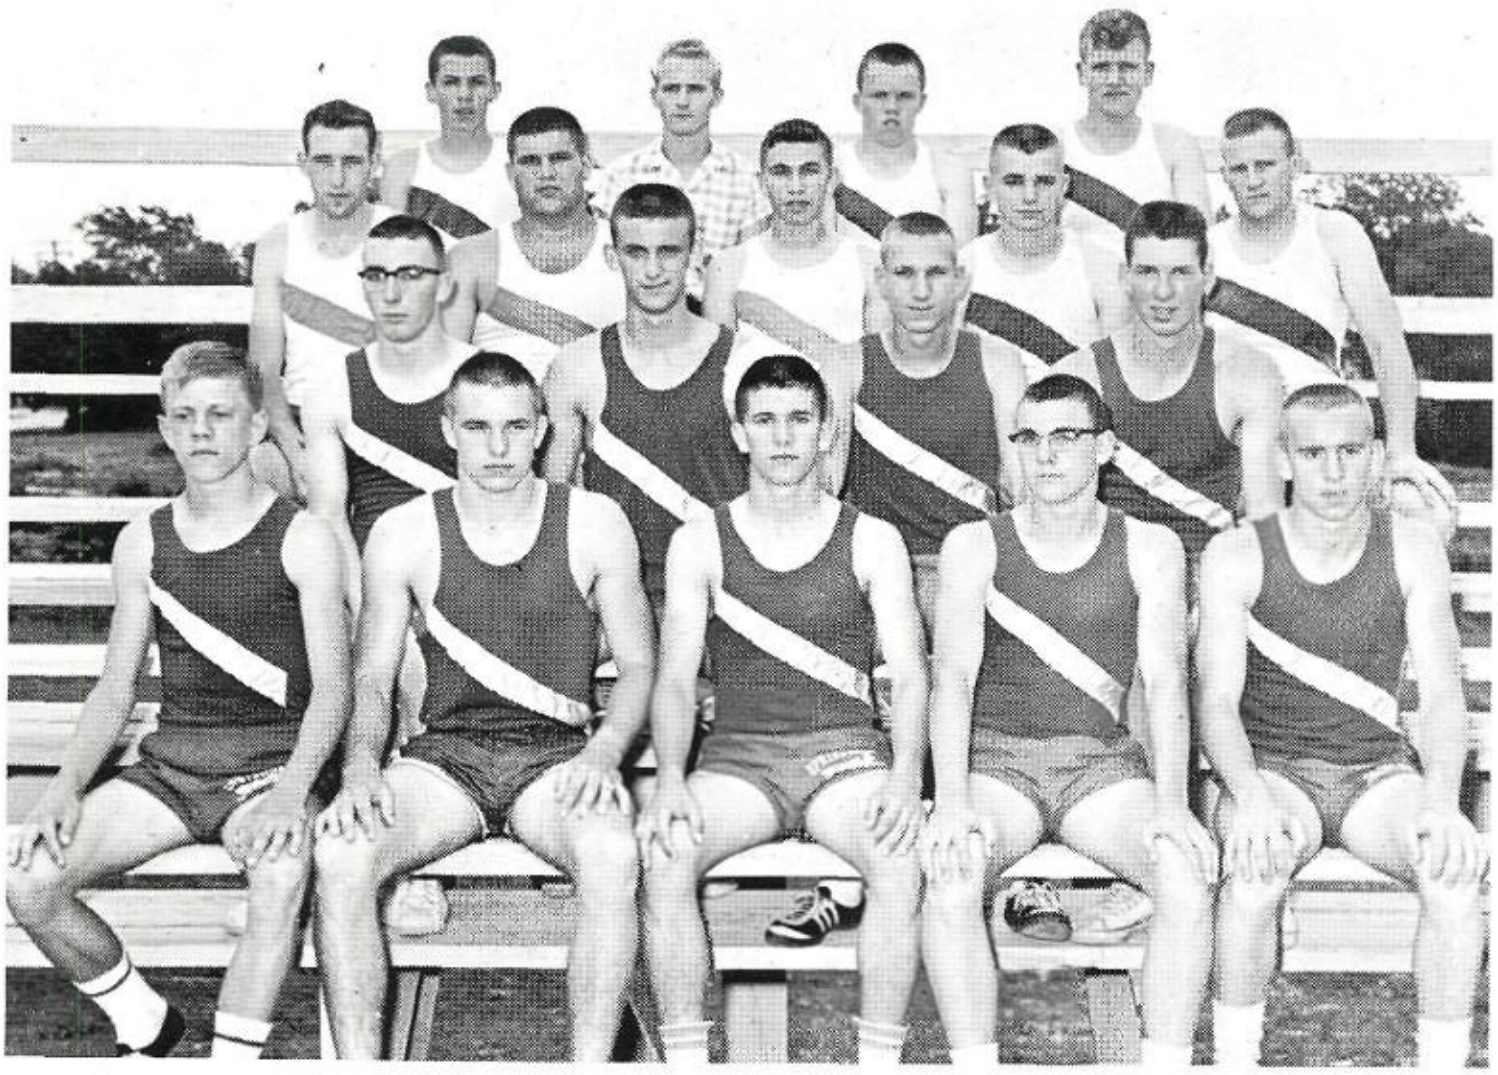
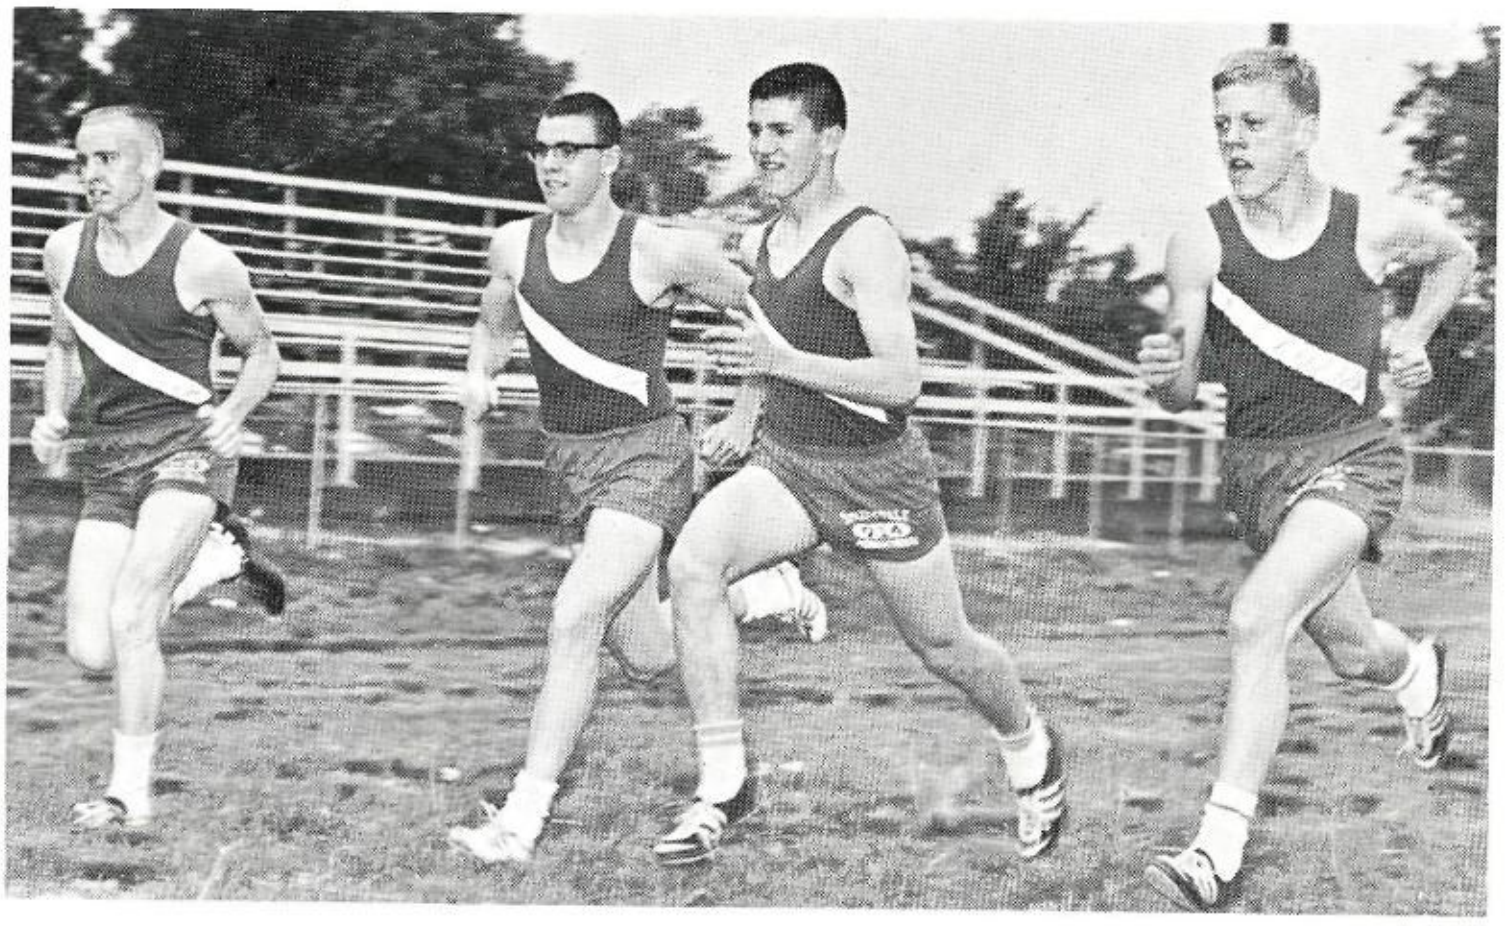
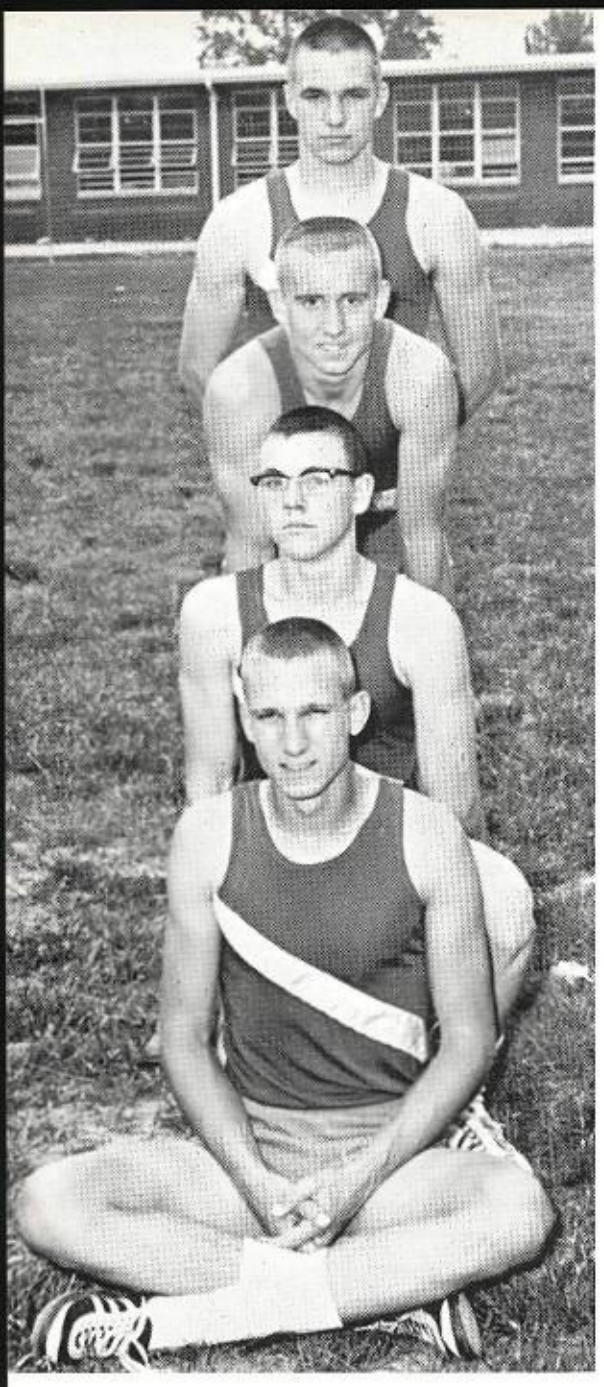
takes vigor, form, and determination into the state meet



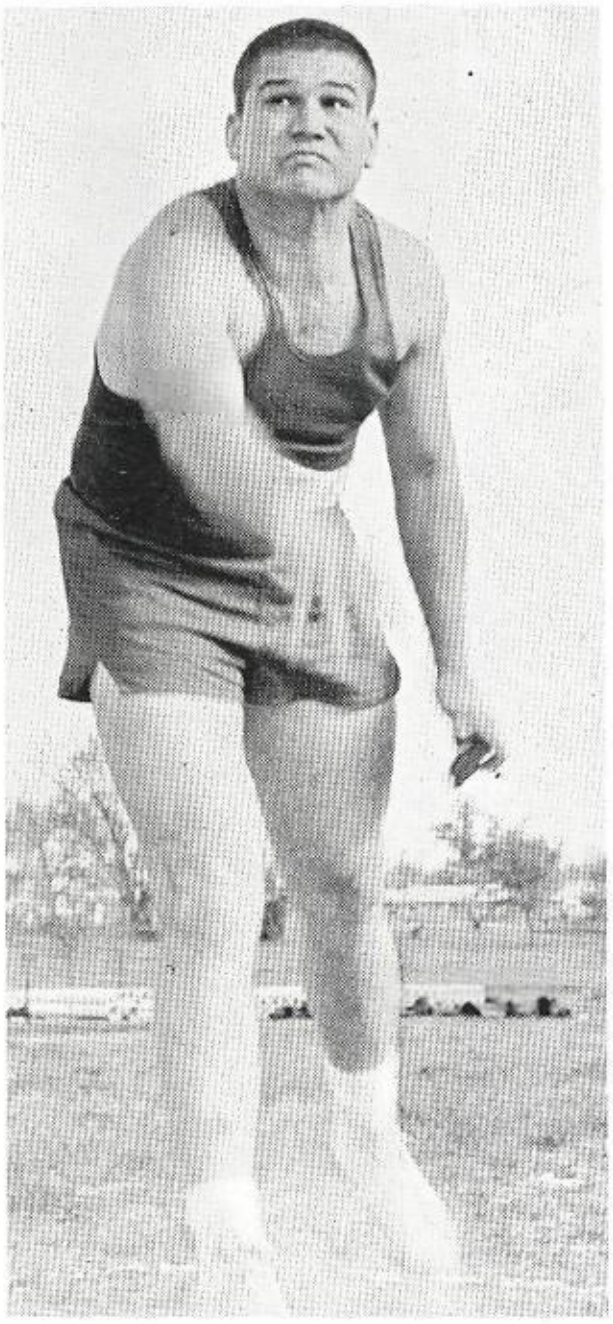
Members of the 1963 track team are: Bottom row, John Ingrum, Carroll McFerrin, Dennis Miller, Carlos Treat, Doug Scott; Second row, Jeff Sanders, Charles Smith, Stan Ludwig, Jack Harrison; Third row, Richard Allen, John Evans, Dennis Shaw, Mike Mhoon, Gene Ingram; Fourth row, Rick Tiberghein, Frankie Harkins, Al Jewell, Bob Watson.

Distance men, Doug Scott, Carlos Treat, Dennis Miller, and John Ingrum work on stride techniques.

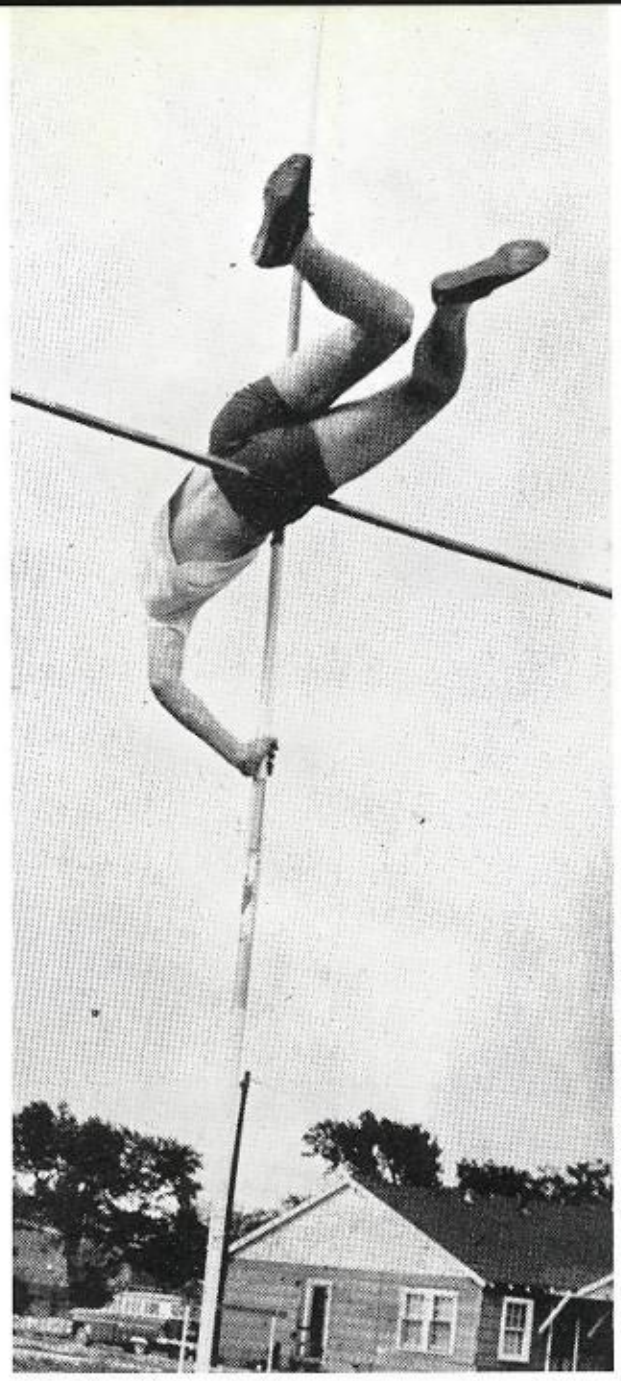




This is how the relay team stacks up on the 440, 880, and mile relays. Top to bottom: Carroll McFerrin, Doug Scott, Carlos Treat, and Stan Ludwig.



"Big John" Evans shows the form which broke a record at the District meet. He also placed fourth in the state meet.



Larry Bunch rises up and over, easily clearing in a well executed pole vault.

In a syncopated leap Jeff Sanders, Jack Harrison, and Charley Smith demonstrate how they handled the hurdles for S.H.S.

student council
plans senior adjustment program

As an organization of students, elected by them, the Student Council is the official representative body in all matters of concern to the entire school. It seeks to develop the best that is in the student and tries in as varied ways as is possible to make him a well-informed, honest, interested, and active citizen of a democracy. Mt. Magazine Workshop, attended by all Council members and representatives of all student organizations, begins the year's work. Work shop members receive leadership training and develop plans for the school year. Howdy Week endeavors to acquaint new students with the school; Fun Nights provide all-school entertainment; Halloween anti-vandalism campaigns assist in creating a sane atmosphere for fun on the witches night out; Exchange Assemblies endeavor to create good relations with other schools. In an effort to promote individual responsibility and to improve school spirit and morale, the Council secured approval for a program of senior adjustment through Student Union privileges during study hall period. The Council participates in District Council meetings, attended the State Convention, and participated in the State Workshop.

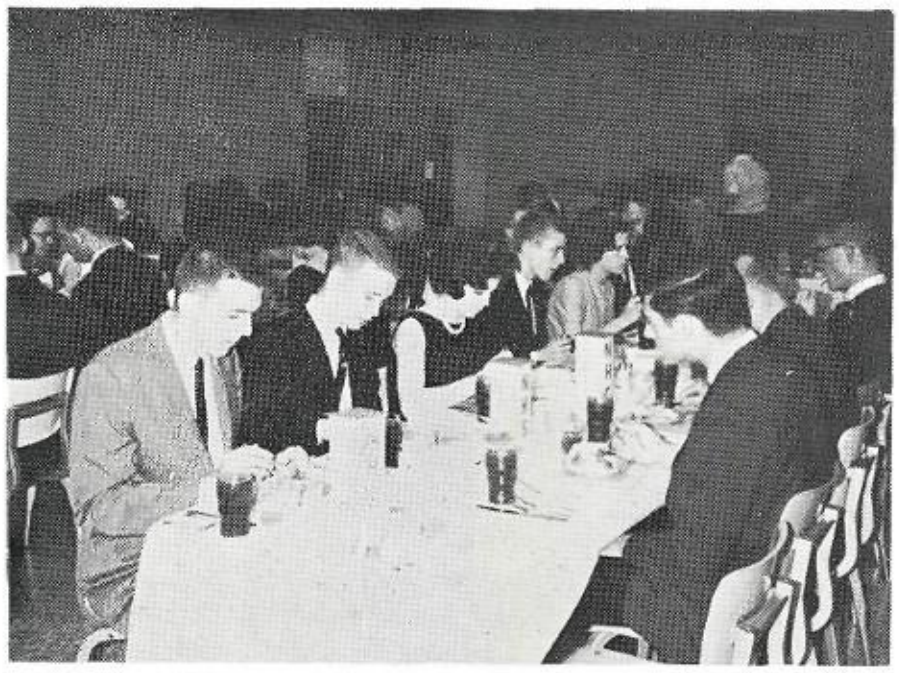
Character, scholarship, leadership, service—these are the four requirements in the Scientia Chapter of the National Honor Society.

The object of the society is to create an enthusiasm for scholarship, to stimulate a desire to render services, and to promote a worthy leadership.

The Scientia Chapter, in order to help reach these objects, was host to the Arkansas State National Honor Society Convention. The chapter was the secretary school for Arkansas.

In addition to this major project, the chapter was responsible for compiling the honor roll and merit list each quarter. The outstanding student of the month was also chosen by the society.



The highlight of the National Honor Society Convention was the banquet which was followed by a dance.

The "S" Club an organization for boys, exists for the sole purpose of promoting good sportsmanship in Springdale High School.

To become a member a boy must win a letter in any phase of athletics. Membership is regarded as an honor, and the club is constantly seeking better ways to promote good interschool relations and improve the quality of sportsmanship among the student body and fans of the community. It has a welcoming committee for visiting teams, promotes the annual Red and White football games and the Student-Faculty basketball game and arranges for after game refreshments for visiting teams.

The Future Teachers of America is a club in which any interested boy or girl may join. The FTA provides information about teaching as a career.

During the year the club gives senior members a chance to teach in one of the grade schools. At some of the meetings, outside speakers are brought in. FTA aids the teachers by acting as student-helpers and this year have, on several occasions, provided coffee and cookies for the teachers' lounges. They also provide a rose for each teacher on his birthday.

"What, Me a Teacher?" was the title of the skit presented in the annual FTA assembly. The cast included Linda Treat, Linda Kendrick, Brenda Brown, Rickye Lynch, Kay Gibbs, Judy Sherry, and Marcille Starling.

Through hard work from bake and candy sales and with the assistance of the yearbook staff, they have purchased darkroom equipment and have been of great value to the yearbook in developing and printing their pictures.

The club holds night as well as morning meetings, at which time local professional photographers give instructions to the members, encouraging them to improve their work.

Projects this year included selecting the club pin, purchasing pinatas and having night meetings. At these, panel discussions on Latin American customs were carried on by guest speakers from various Spanish-speaking countries.

The administration installed a language laboratory to aid students in their study.

The Herald has had as its aim, to foster school spirit and to give full expression of the school's ideals.

"We've got to see more Shoppers Stoppers if this paper is going to be self supporting," Mike Hayes tells Dickie Harris, Teddy Saum, and MacAllen Wolfe.

Mike Crouch, Amelia Carter, and Phyllis Wilkinson type frantically to meet that deadline.

"Boy this is some copy!" Kay Gibbs tells Pat Allen, Clydia Carnes, and Becki Henbest.

debate team
fosters argumentation

Drama and Debate were added as new courses to SHS curriculum this year. Members of these classes promptly organized into participating groups, entering a tri-state contest at Joplin, Missouri, the American Legion Oratorical Contest, the Arkansas State Speech Association Tournament and the Springfield Central Forensics Tournament. They sponsored the First Annual Speech Tournament, a night of one-act plays, and a debate meet with Fayetteville.

"A wise man will hear, and increase learning."

Using the Bible as its source, the Senior class chose Proverbs 1:5 as their motto for 1963. The council also chose royal blue and the white carnation for their color and flower. These were used in the decorations for the prom, Class Day and graduation.

The yearbook king and queen was selected by this year's class since they won the circulation drive.

The high school building was made festive, both indoors and out at Christmas through the efforts of the Seniors.

This has been a year of excitement, hard work, plans, and regret as we realize that after June 1, never again will we be together as a class.

juniors
present gala event

On May 4 the Junior Class presented the seniors with one of the most unusual and well-planned banquets and proms ever held at SHS.

The theme was "Stairway to Heaven" with the programs and wall decorations designed by Dennis Shaw. The gym looked like Heaven itself with pink angel hair, revolving lights, and a golden stairway into the clouds. Music was by the Jokers. Seniors, faculty, and guests agreed that the juniors had done a wonderful job. Congratulations juniors!

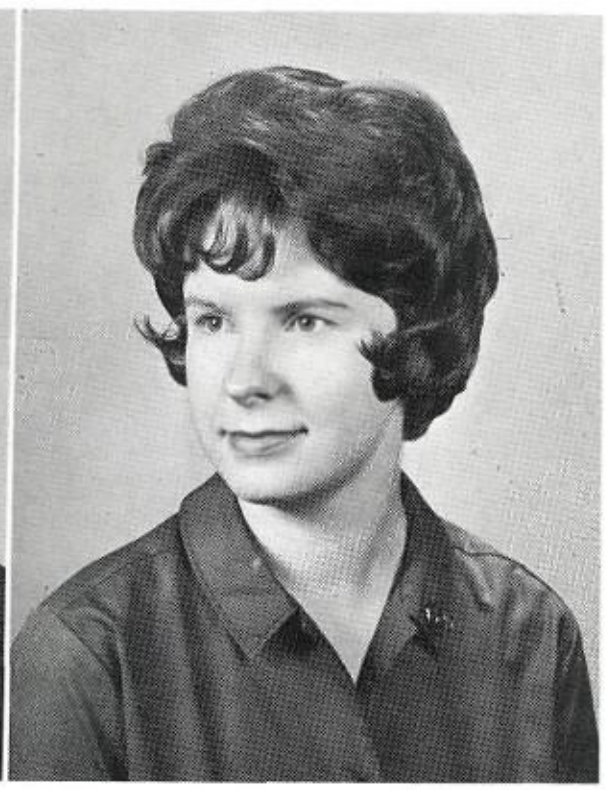
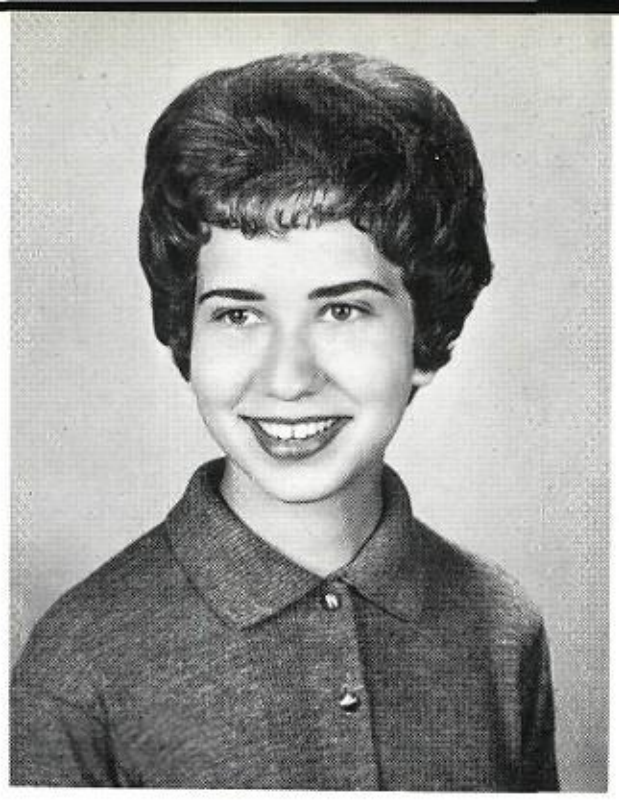
seniors

Named valedictorian of his class, Jerry Decker's main interests were science and mathematics. While participating in the Honors Program at the University he still found time to act as president of the Science Club, take a big part in in the Science Fair, and be active in NHS.

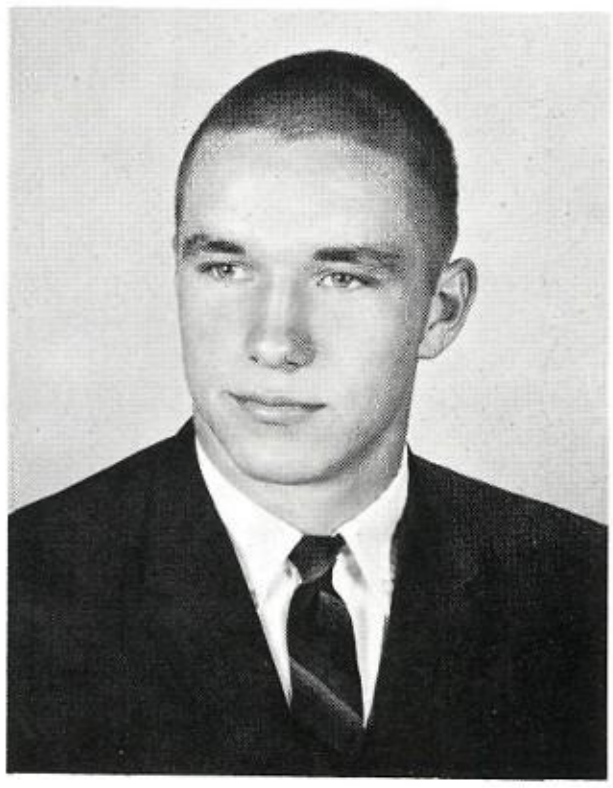


Kathy Gaskin proves that activities and scholarship can go together. Salutatorian of her class, she served as editor of the yearbook, accompanist for the Glee Club, was a member of the class council her junior and senior year, and a member of NHS.

# of fame



Mary Henson proved to be outstanding in scholarship and student affairs. Third in her class, she was business manager of the yearbook, served as president of FBLA, was a member of the Junior and Senior Class Councils, NHS, and a Homecoming maid. She attended Girls' State.



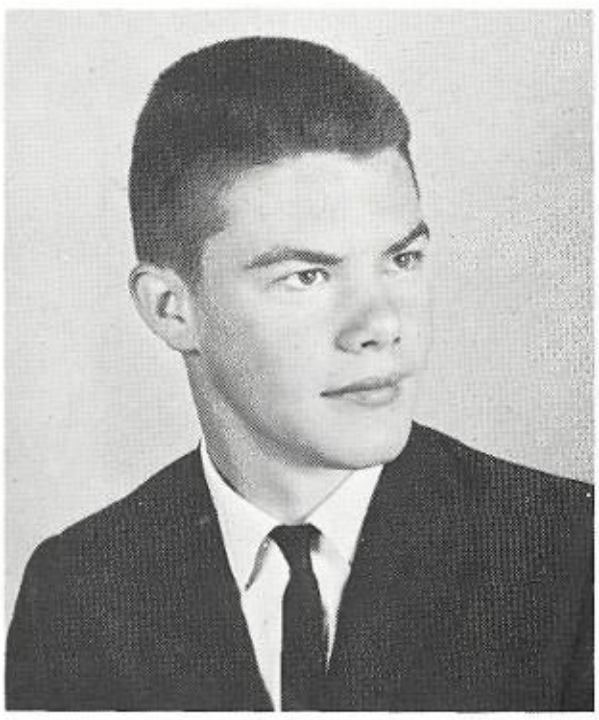
An outstanding athlete in both football and track, Carroll McFerrin served as president to both his Junior and Senior Class, and was a delegate to Boys' State.

Editor Kathy Gaskin places the first Hall of Fame picture in its permanent spot in the library.

seniors
are honored by faculty

A new feature in the Bulldog this year is the Hall of Fame. Chosen by a committee from the faculty, "famers" are outstanding in organizations, scholarship, special service to the school and all-round development.

Connie Cooper's interests are well illustrated by her participation in band, student council, NHS, science, drama and FTA. She is an honor graduate and attended Girls' State.



Donald Henry spent a busy year as president of Key Club and a member of the Student Council. A delegate to Boys' State, he was also a member of the Senior Class Council and NHS.

"Mr. President", Mike Overton was also busy in the "S" Club, Key Club, and Presidents' Council. He was a delegate to Boys' State.

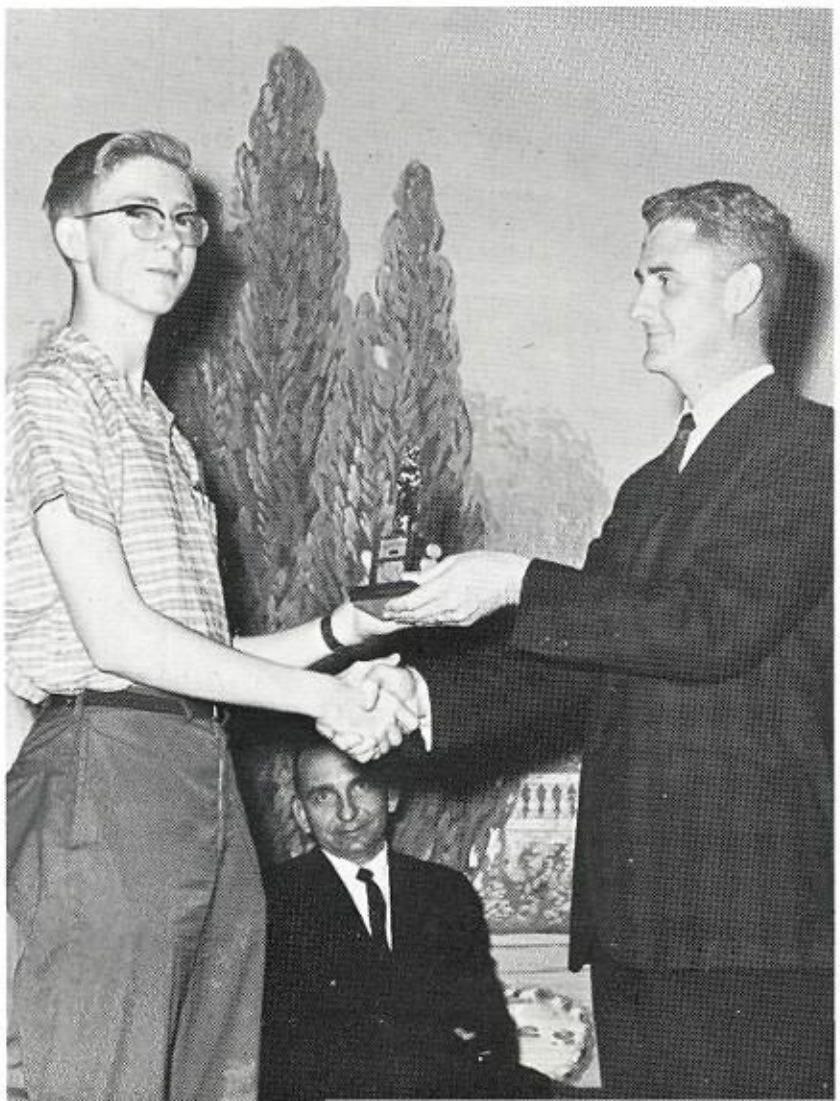
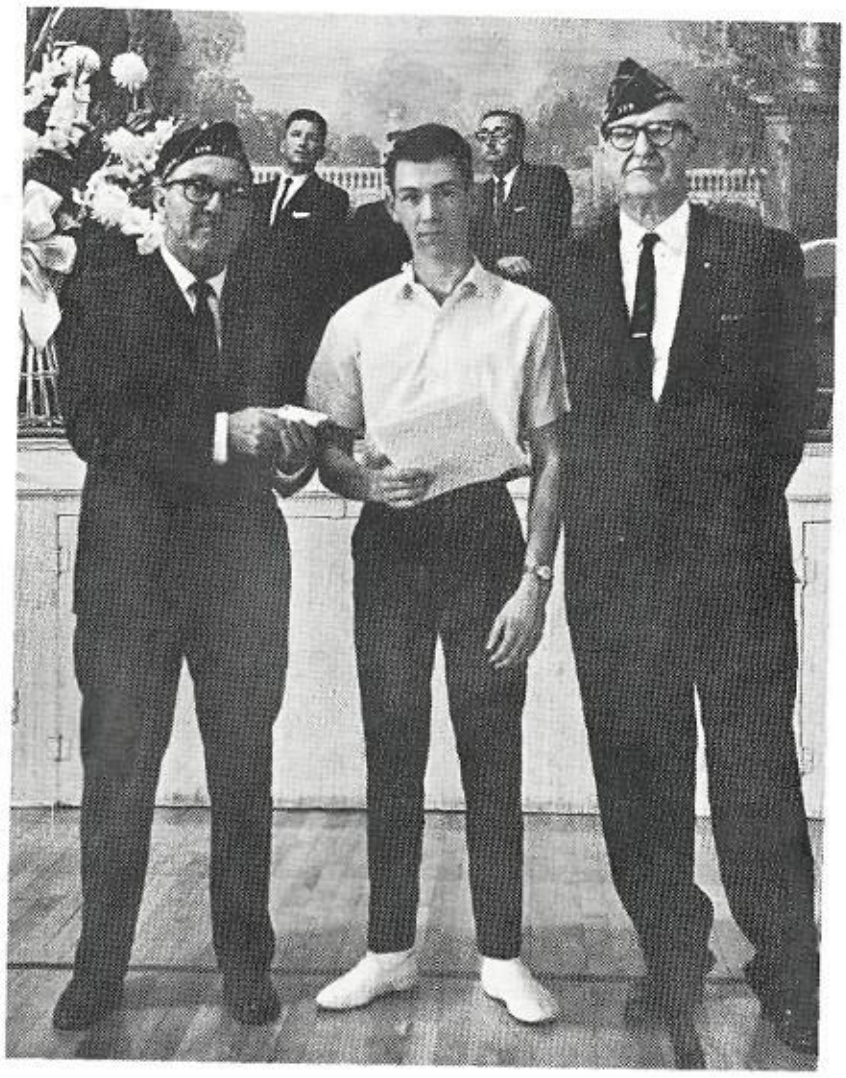
Bill Green and Ronda Bradley smile as they read letters informing them they have received University of Arkansas scholarships.

Jerry Decker receives the trophy awarded to the valedictorian from Mr. Norman Crowder. Jerry received scholarships to Notre Dame and the University of Chicago, and the William S. Branscomb award.



Kathy Gaskin smiles as Mr. Norman Crowder hands her the trophy for salutatorian.

seniors
are honored



Mr. Ed Buck and Mr. Ulysses Lovell congratulate Mike Hays as he is presented with the American Legion Outstanding Senior Boy Award. Mike has also been appointed an alternate to the U.S. Air Force Academy.

Alan Epley admires the medal and trophy he received from Mr. Ulysses Lovell as winner of the local and district American Legion Oratorical contest.

Libby Ingrum has just received the American Legion award for the outstanding senior girl from Mr. Ed Buck and Mr. Ulysses Lovell. Libby received the "Baby" Oscar as the best actress in the Senior Play, and honor she also received as a junior.

Bill Preece smiles as Mr. Paul Shaffer, speech and drama teacher, presents him with the "Baby" Oscar as the best actor in the senior play. Bill won the same award as a junior.

Winners of the Harvey-Bernice Jones scholarships, Phillip Morris, Pam Forgey, Irene Sohl, Claudia Vance smile as the presentations are made by Gerald Tweedy. In the background are seen Mr. Fritz Ehren, principal, Willard Walker and Jim Hammett.

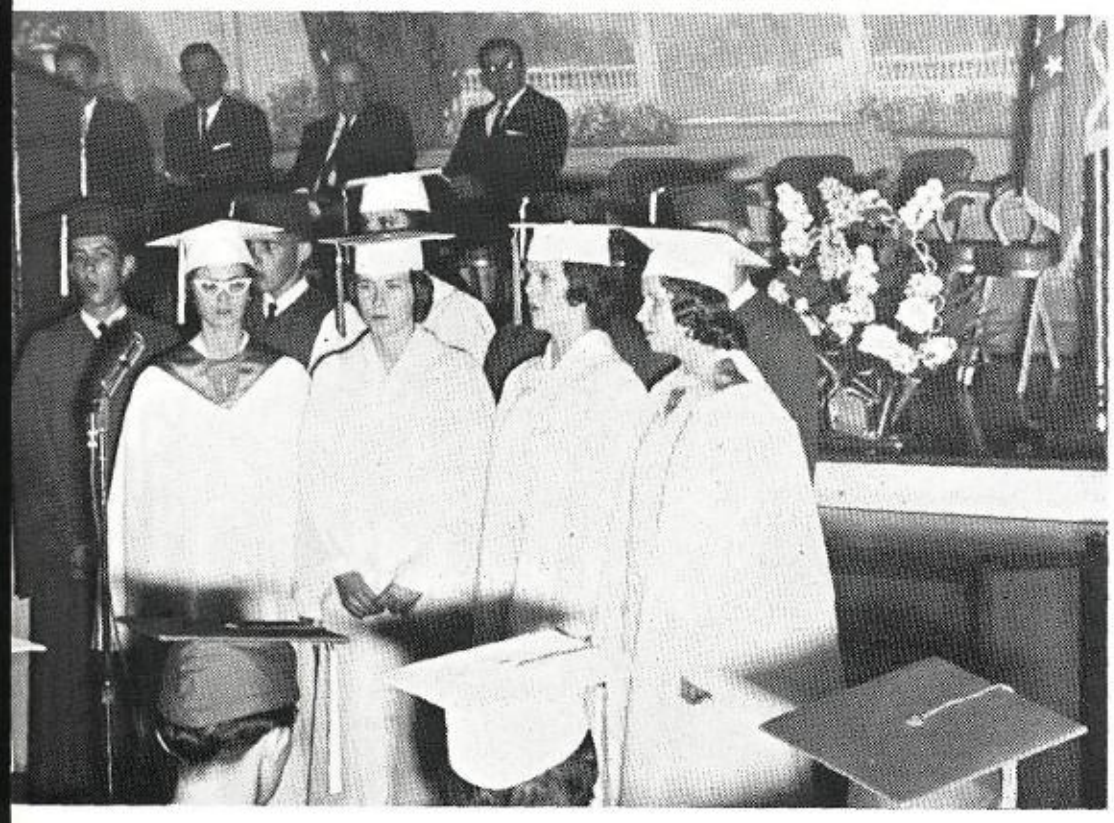
Mr. Norman Crowder gives Robert Hoyt his certificate as a National Merit Scholarship Finalist. Robert has received a scholarship from the University of Tulsa.

Maxie Weir is the winner of the Mr. and Mrs. Willis Shaw scholarship presented to her by Mr. Jim Hammett.

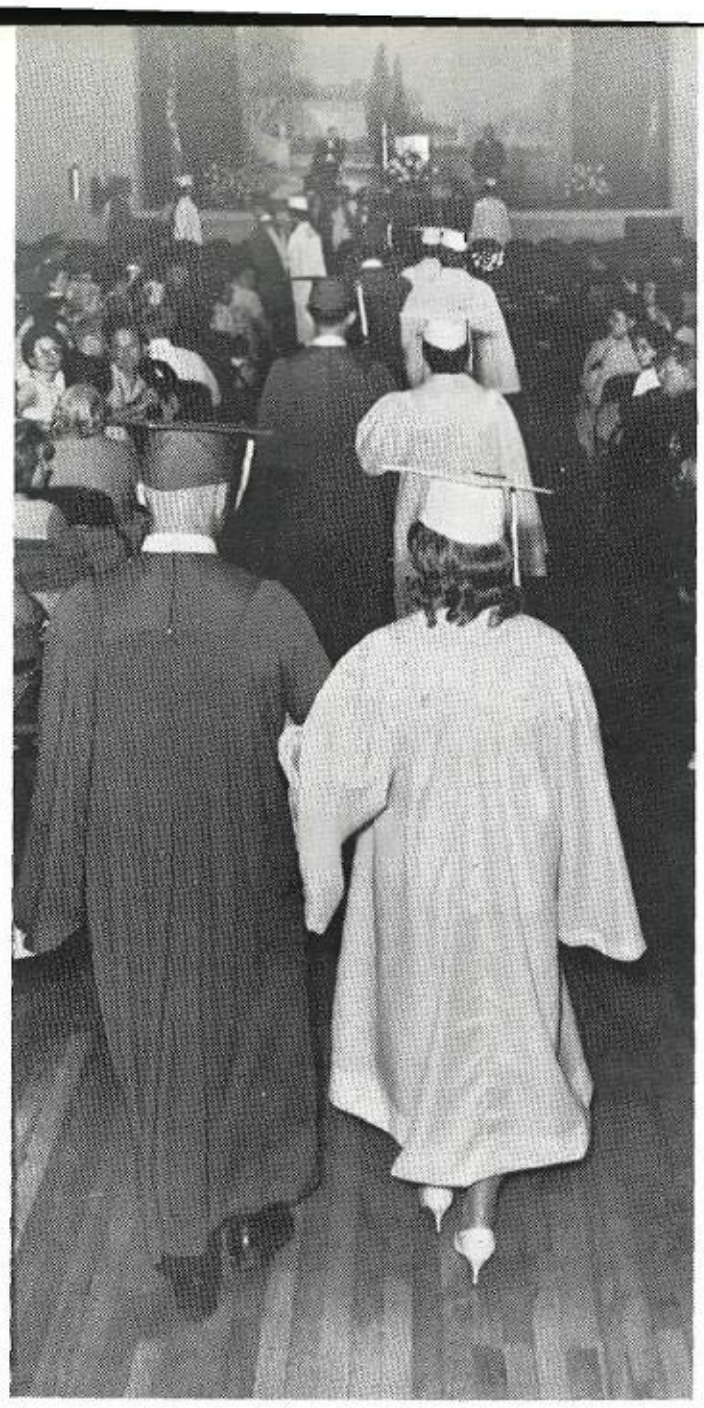
Dana Lochniskar, Betty McGaugh, and Vivian Wood smile as Mr. Willard Walker presents them with Rotary scholarships. Betty also received the SEA scholarship and one from the Arkansas Congress of PTA.

seniors
attain first major goal

On May 27 commencement exercises were held for the class of '63. Speakers for the evening were Lee Scott, Kathy Gaskin, Mike Hays, Connie Cooper, Mary Henson, and Jerry Decker. Diplomas were awarded to 166 seniors, most of whom had attended school together for 12 years. Thus ended a phase of our lives and our last "day at SHS."



Seniors Kay Gibbs, Janie Hamilton, Martha Nash, Kathy Gaskin, Alan Epley, Bobby Loyd, Leonard Bowlin, and Raymond Grigg sing for exercises.



The climax of four years of hard work is graduation.

Connie Cooper delivers her commencement address.

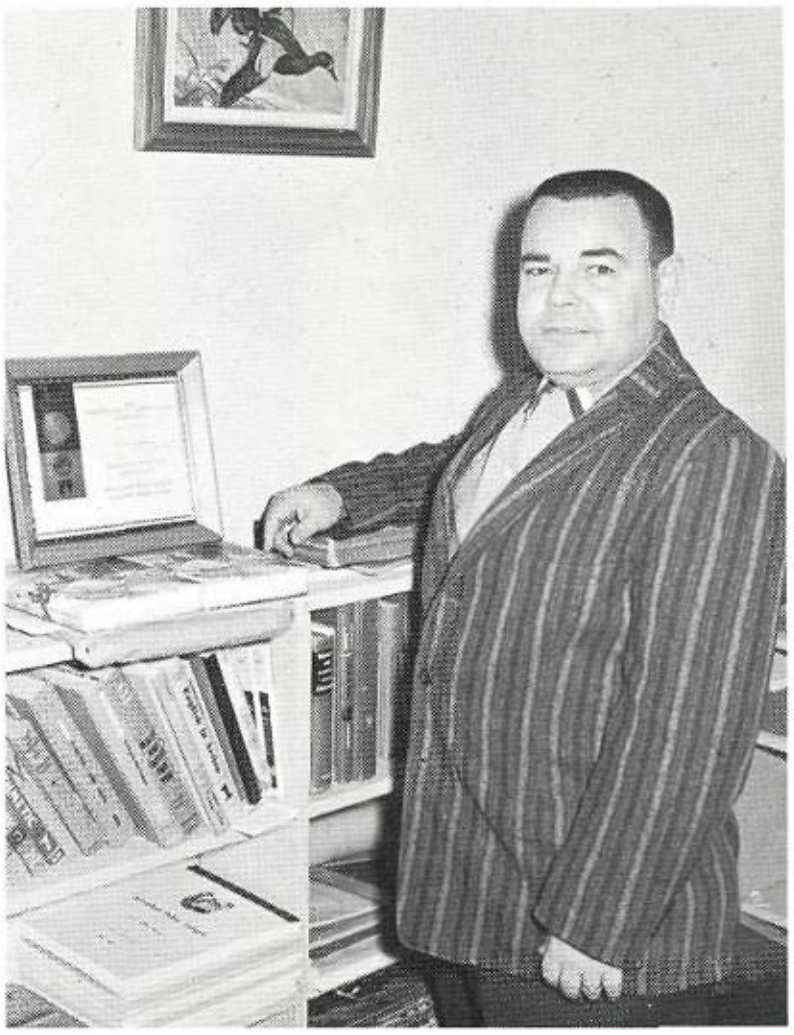
JUNIOR HIGH

sjhs' administrative staff *copes with increased enrollment*

Junior high principals, Joe Roberts and John Stamps, have one of the most difficult jobs in the Springdale School system. They have the task each year of finding more rooms and more teachers for the constantly growing enrollment in junior high.

A seemingly impossible job is made lighter by the assistance of two capable secretaries. Mrs. Nellie Griggs and Mrs. Helen Stamps are two women who are invaluable.

Principal of West Junior High, Mr. John Stamps, pauses in his busy day to smile for the camera.



Principal Joe Roberts, often called "coach" by his former students, fulfills the duties of his position efficiently.

A familiar sight to West Junior High students is secretary Mrs. Nellie Griggs.

Mrs. Helen Stamps, secretary in East Junior High, hands just completed mimeographed tests to assistant Sammye Bryant.

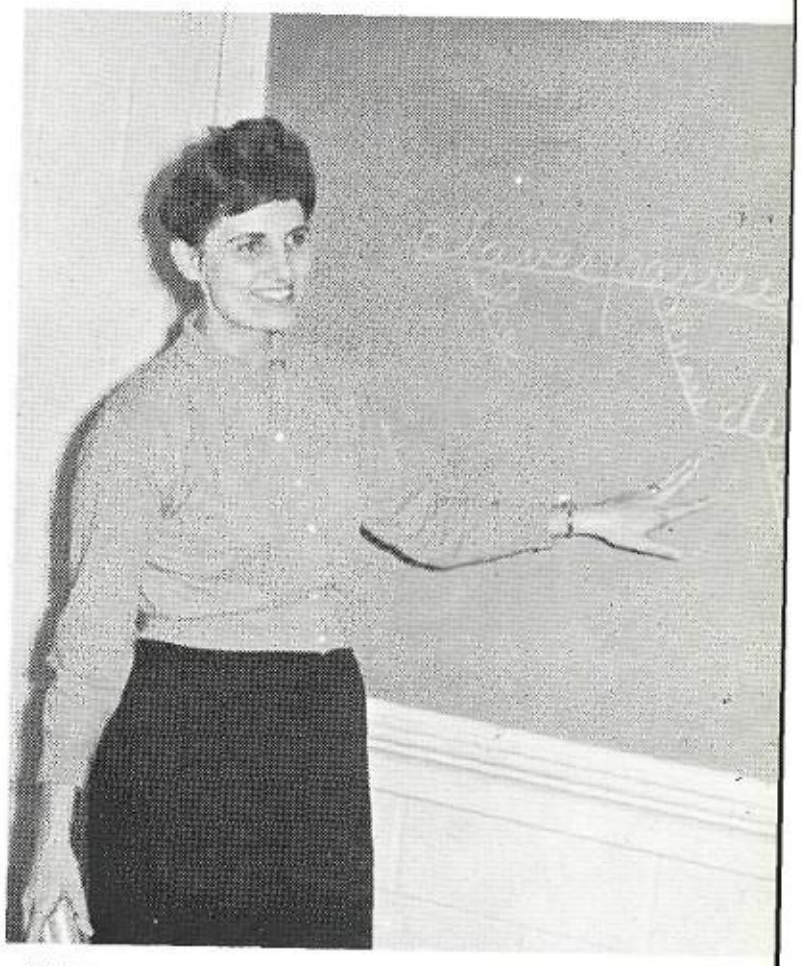
Mrs. Anne Hoyt, junior high librarian, checks a book to a student.

Mrs. Nora Bee Linglebach, junior high counselor, advises a student.



"This is the way to diagram," says Mrs. Miriam Gentry, eighth and ninth grade English teacher.

Mrs. Judy Rhodes has fun as she teaches her eighth grade Civics class.

Mr. Arvin Wilmouth, Modern Algebra teacher, does not believe in sparing the rod.

student council
leads sjhs in all activities

Junior High Student Council strives to achieve good sportsmanship, a sense of responsibility, and lead the student body in all activities.

The president presides over all student council meetings and all assemblies.

The Council sponsored a talent show, purchased an outside water fountain, sold popcorn in the concession stand during the lunch hours, and sold paper-backed pocket books to all students.

The Student Council is an active organization and the student body of Junior High should be proud of them.

junior high glee club

devotes time and talent to concerts

This year, under the capable leadership of Mrs. Raymond Lankford, the Junior High Girls' Glee Club has presented many delightful and inspiring concerts. Some good examples were the Christmas, mid-winter, and spring concerts all of which were presented with the Junior High Band.

In addition to these concerts in which the entire Glee Club participated, several special groups have demonstrated their skill at talent shows and assemblies.

junior high band
puts senior band on their toes

The junior high band had a busy and rewarding year during 1962-63. For the first time, they were able to take the field in uniform. They performed at all the junior high ball games and marched in the Christmas parade.

Attending the Regional Junior Clinic in Fort Smith placed 22 students in the band. This was followed by placing 4 students in the senior band.

At the Regional Festival they entered 81 solos and of that group 61 qualified for the state meeting.

During all these activities the band found time to present both a Christmas and a Spring concert.

junior high cheerleaders
keep pep running high

The six SJHS cheerleaders worked hard to support their Bullpups through a long, hard season. On special occasions they follow their team to out-of-town games.

Candidates for cheerleader try out before the entire student body. Each class chooses two to make a total of six.

Coaches Jack Graysinger and Bob Johnson

junior high bullpups
have shining season

The 1961-62 Bullpups under the direction of Coaches Jack Graysinger and Bobby Johnson had almost the same record this year as last, seven wins and two losses. Good as this record was, it did not bring them their second Northwest Arkansas championship.

Their first victory of the season came as a sweet revenge since they defeated Van Buren 14-6 at Bulldog Stadium. It will be remembered that their crown was knocked slightly askew last year when Van Buren tied them 13-13.

They had little difficulty on September 14 as they scored an easy 13-7 win over Huntsville in Huntsville's backyard.

The next week they scored early and easily as they smothered the Siloam Springs Juniors 41-14.

On September 27 Steve Walters and Richy Platt ran, Gary Rains threw, and Danny Shook caught, and everyone—down to the third team—played a lot of defense and spoiled the Rogers Ridge Runners Homecoming 26-0.

Quarterback Gary Rains scored two touchdowns as the Bullpups defeated the Harrison Junior Goblins 19-0 in an

afternoon game at Bulldog Stadium.

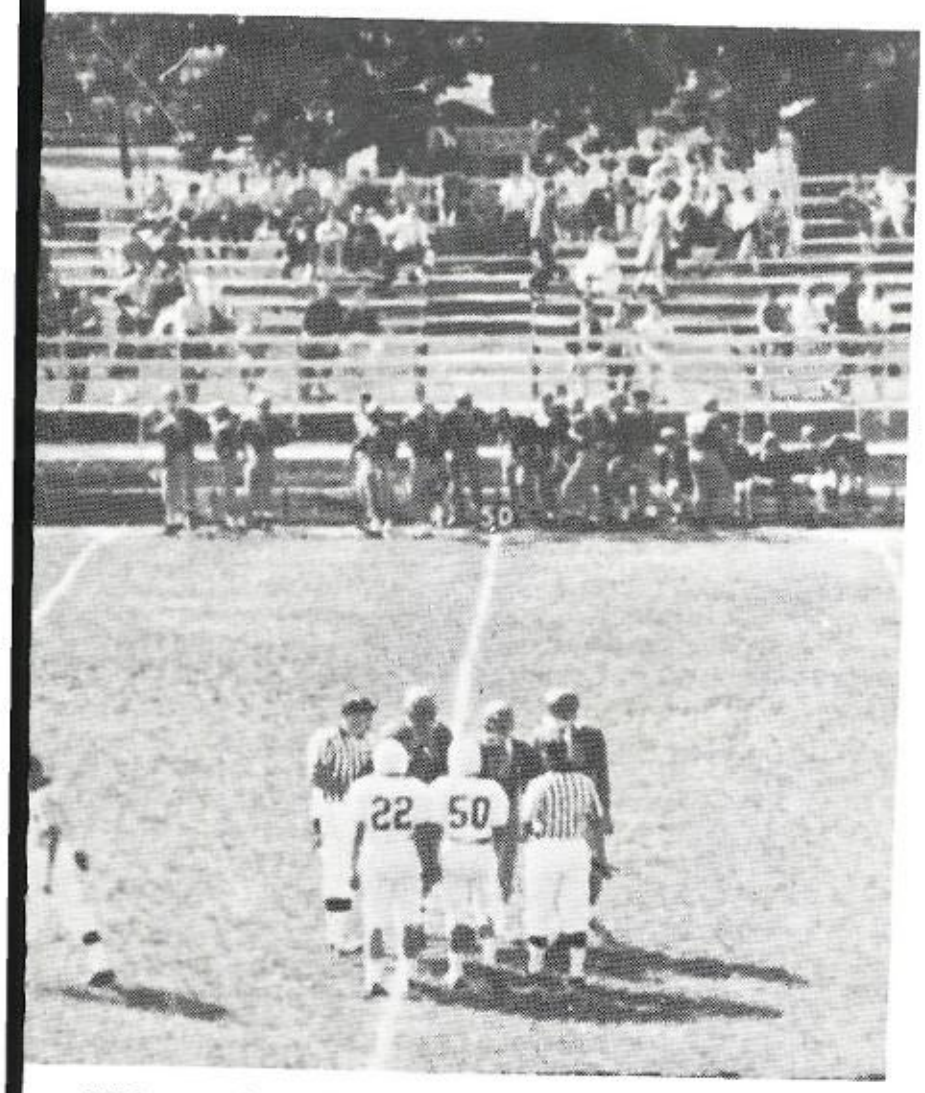
Hard running backs and a vicious defense sparked the Bullpups to their sixth straight victory—an easy 27-14 triumph over Fayetteville Hillcrest.

Dad's Night on October 18, saw the Bullpups shake off a sluggish first half and survive three costly fumbles to storm back and thump the Bentonville Cubs 27-7.

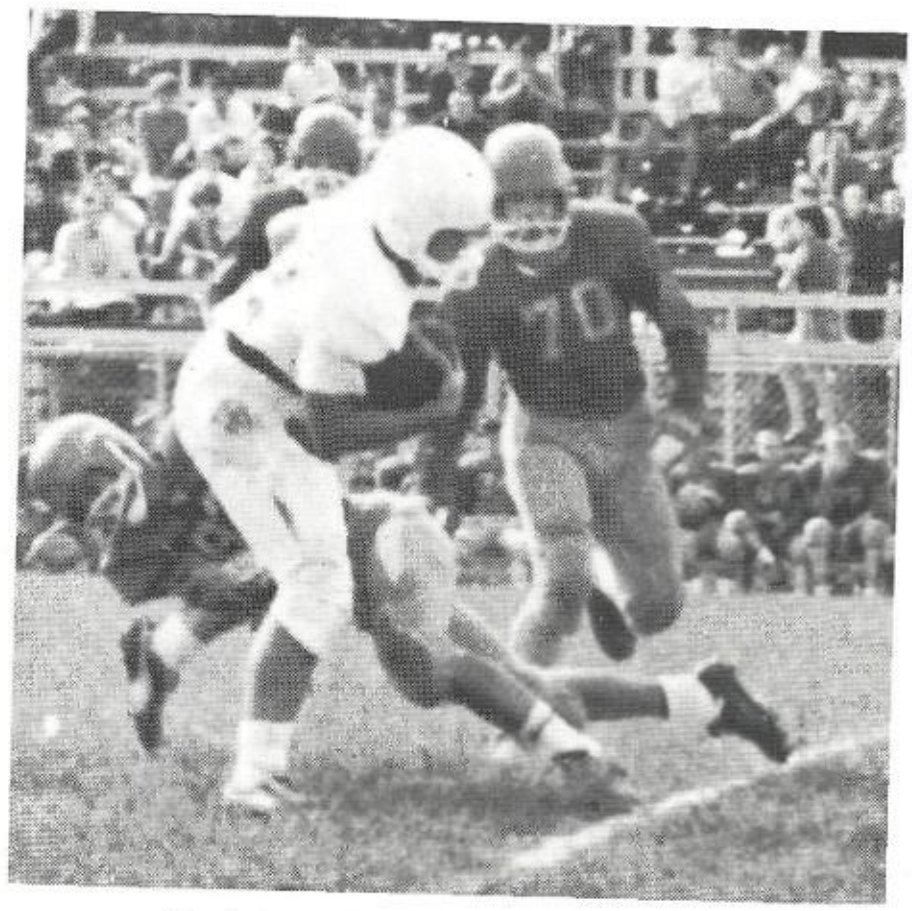
It seemed this was to be the perfect season. But then came Woodland who assisted by costly fumbles, a pass interception, and a tough line knocked the Bullpups off balance and kept them reeling for 32 minutes. The Cowboys preserved their unbeaten streak and whipped the Bullpups 14-0.

This seemed to break the magic spell, for Ramsey came back next week to hand the Bullpups their second straight defeat, 14-0.

Nevertheless, no one can say the Pups did not have a successful season and the 'Dogs are planning to put their experience to use in the 1963-64 season.

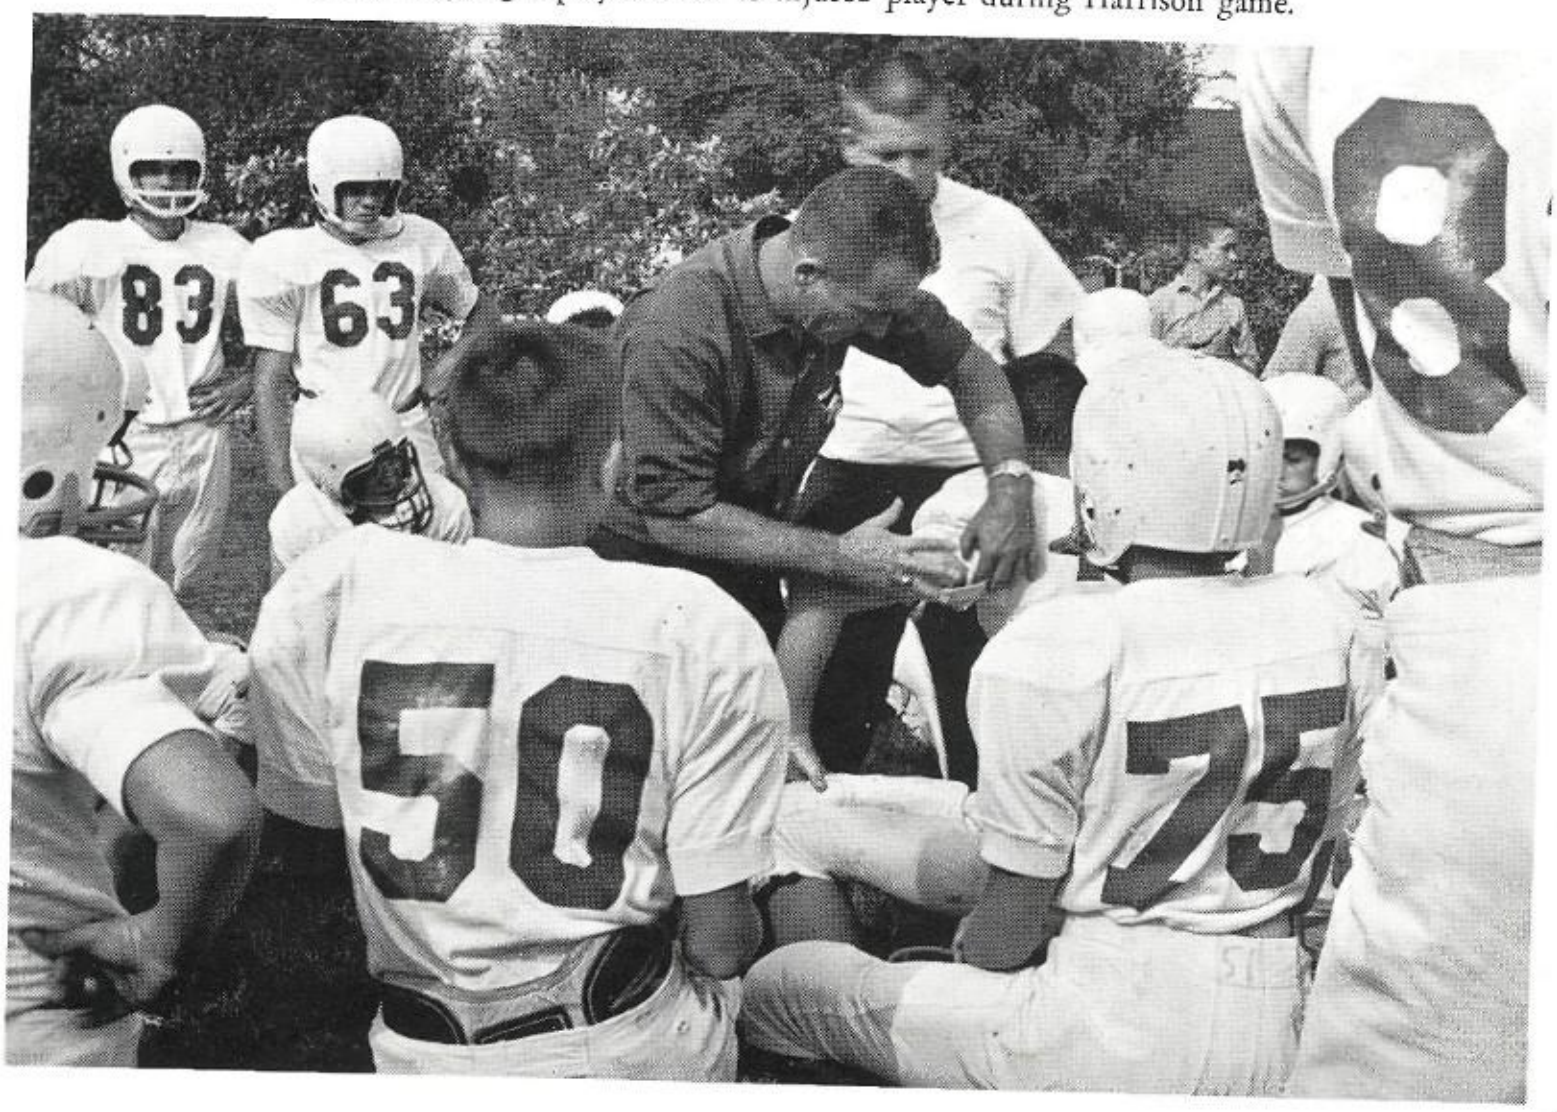


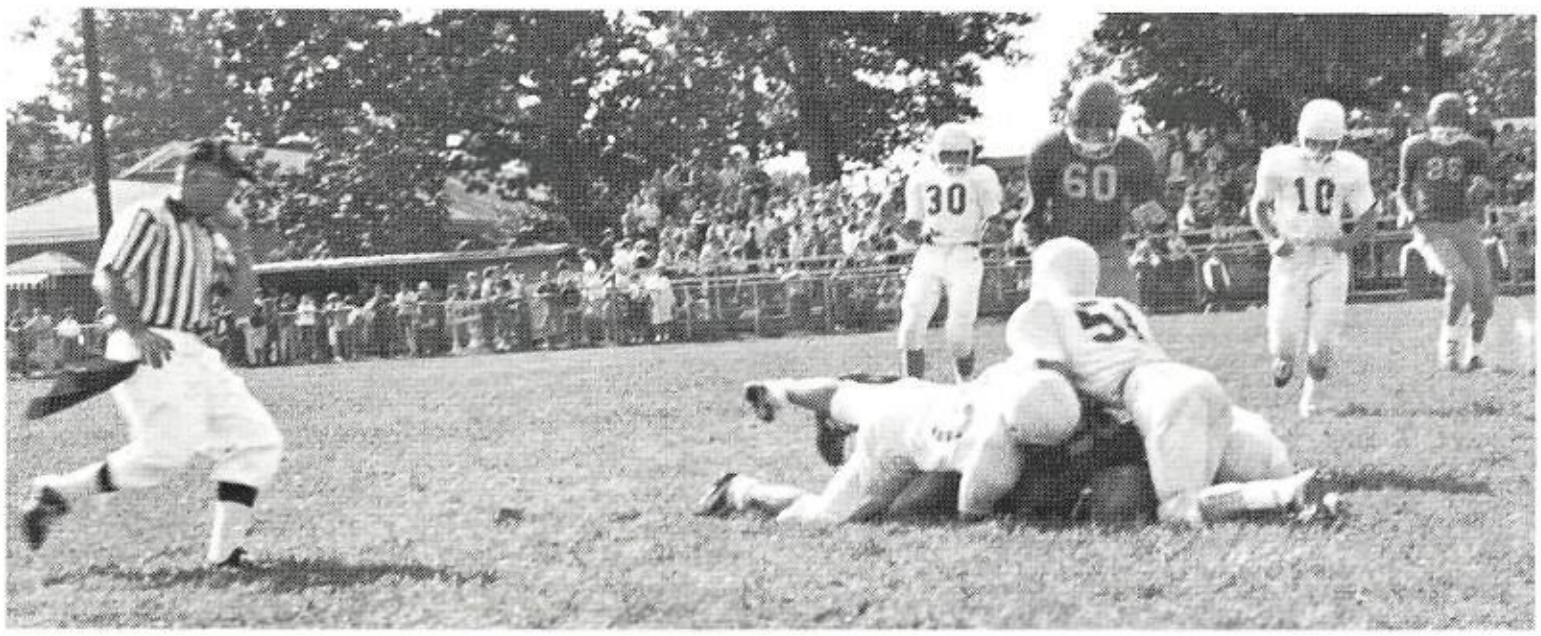
Walters and Eldridge call the turn of the coin as a Harrison game gets underway.



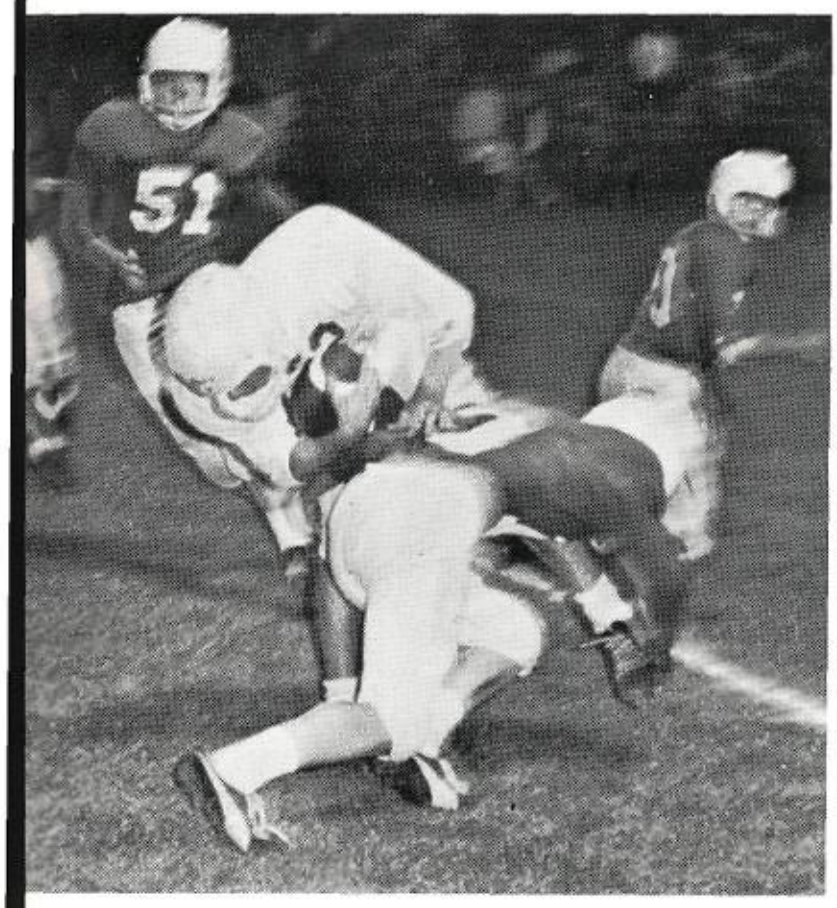
Shook fights for yardage against Harrison.

Coach Graysinger plays doctor to injured player during Harrison game.

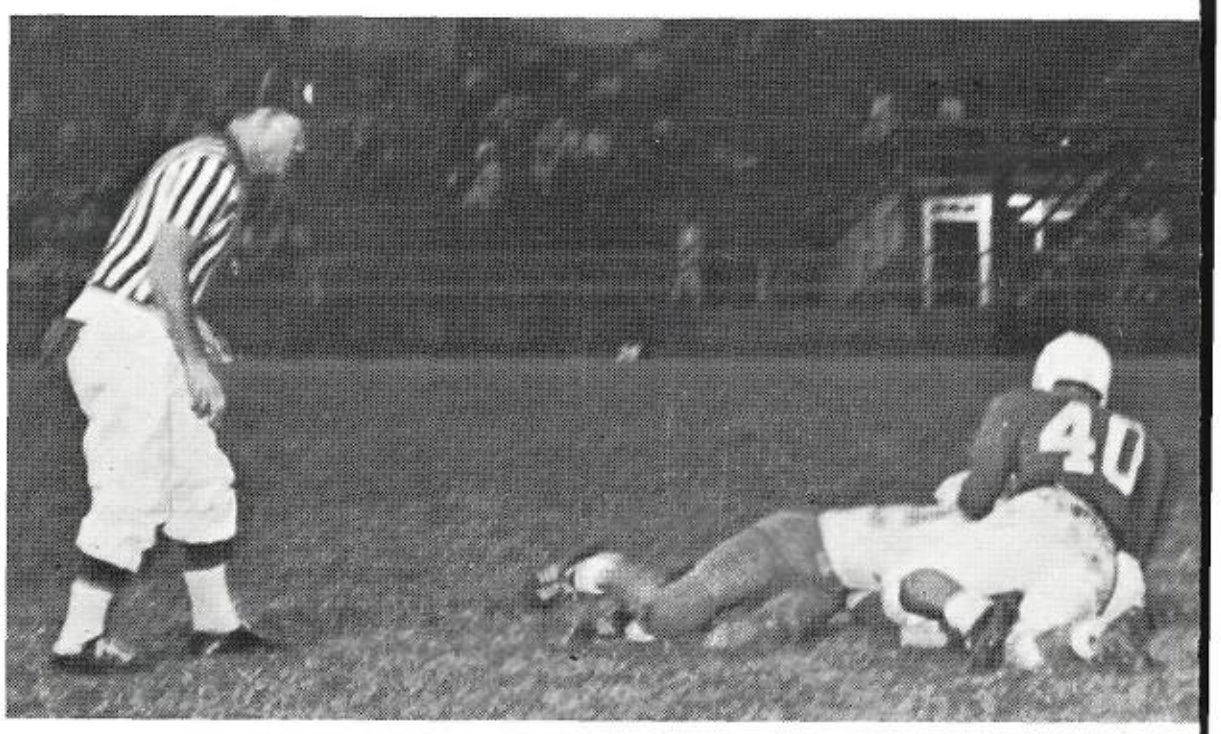




Who will come up with the ball? Platt (40) and Hurley (51) plunge into the pile for a try at it while teammates from both sides come to their aid during the Harrison game.

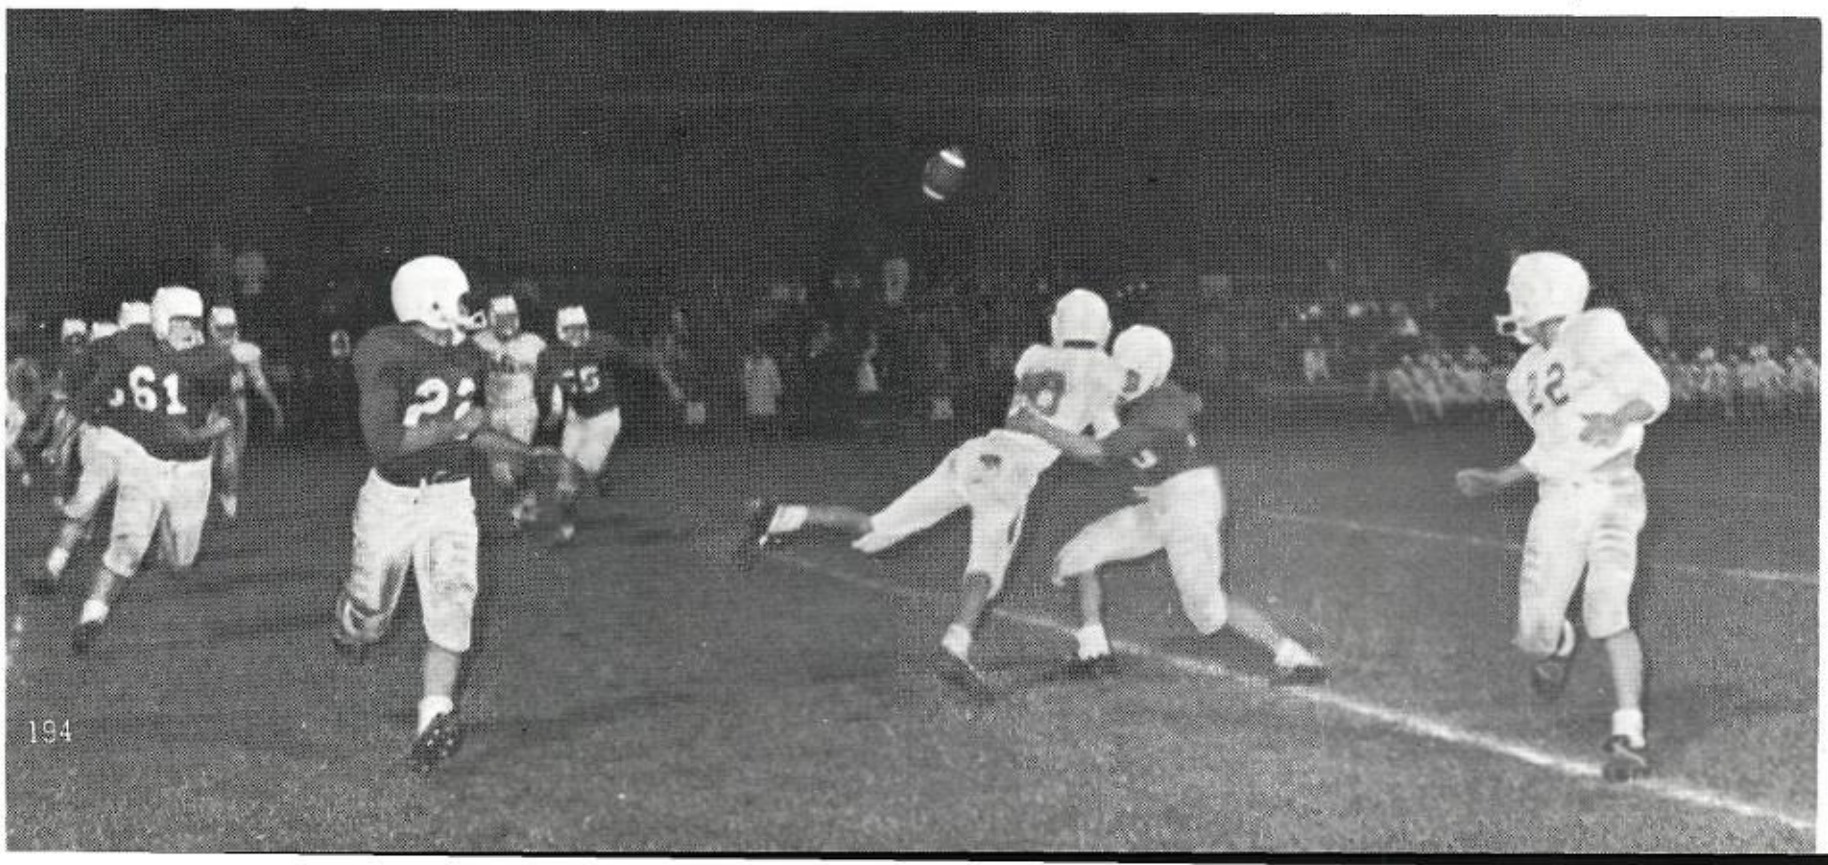


Bulldog back stops Woodland player.



Richie Platt spills Ramsey player for a loss.

Steve Walters gets dragged down by a Woodland player as ball sails through the air intended for Danny Shook.



bullpup basketball
has successful season

In becoming co-champions of District Class AA, the Bullpups made an excellent record in the 1962-63 season and will be sending some players to SHS that should make valuable additions to the 'Dogs team.

Their first victim was Bentonville when the Cubs fell to our Bullpups 34-18. In that game Steve Walters was high point man, scoring 18 points with Billy Wolfe adding 4.

In their next outing the Bullpups survived a cold first quarter and stormed back to take a 41-11 decision from the Siloam Panther Cubs. The Pups scored only four points in the first period as they hit only 20 percent from the field, but 87 percent in the second. Siloam could never muster a scoring drive until the final period. Again, Walters was top scorer with 15 points. Gary Rains was next with 8.

The Bullpups survived a pressing attack in the last half to nip Fort Smith Ransey Junior High 22-19 in the SHS field house on December 11. With Bill Wolfe and Paul Brewer controlling the backboards, and Walters and Rains accounting for most of the points, the boys from Springdale built a lead that Fort Smith couldn't overcome. In fact, the visiting Rams failed to score in the first quarter and the 'Pups took advantage of that to race into a 12-4 halftime lead. Walters led with nine points, followed by Rains with six.

Coaches Bob Johnson and Jack Graysinger

On December 14 Walters set an unofficial Springdale Junior High scoring record to lead the Bullpups to a 51-32 victory over the Subiaco junior unit. Walters crammed in 26 points on 10 field goals and six of eight free shots. The old record of 24 points was held by Walter's junior high coach, Bob Johnson, when he was a Springdale Junior High student.

The Bullpups pushed their season record to 5-0 on December 18 with a 37-21 triumph over Fayetteville Hillcrest. The Indians came with the idea of stopping

Walters. They alternated two men on him in the first half but it had little effect as the big ninth grader wound up high scorer with 19 points. Hillcrest abandoned the special defense after the first half and played the rest of the game in a man-to-man.

On January 4 Gary Rains made only one field goal but it was the biggest shot of the young season for him. It was early in a two-minute overtime period that the ninth-grader pumped in his jump shot that gave the Bullpups a two-point lead over the Van Buren juniors. After that, his teammates played ball control and held Van Buren scoreless to win 24-22. Walters again paced Springdale with 10 points on five field goals.

On January 11 the 'Pups took on Fayetteville's Woodlawn and after a see-saw game emerged victo-

rious 29-27. Again Walters latched on to high-point honors, gaining 15 points, and Rains was second with five.

Walters, Rains, and Wolfe carried the scoring load at Siloam on January 15 as the Bullpups ran their unbeaten streak to eight with a 33-22 victory over the Panther Cubs. Walters wound up high scorer for the night with 15 points, which pushed his total to 120 points for eight games, or an average of 15 per game.

On January 18 Coach Bob Johnson got balanced scoring from his Bullpups as they romped Rogers 33-19 to run their unbeaten streat to line straight this season. Rogers came to stop high scoring Walters and had some success as he scored only eight points on three field goals and two of three from the charity stripe. Rains was high point man with five field goals for 10 points.

After being idle for the Invitational Tournament, they attacked Woodlawn on February 8 winning 32-18. This time Walters and Brewer tied for high-point honors, each scoring nine points.

Three more games were scheduled with Subiaco, Hillcrest and Rogers but each was cancelled.

The State Tournament was held February 21 and Springdale played Crossett winning 35-19 but lost to Paragould 38-47.

For the second year in a row, Springdale won the Sportsmanship trophy, the first time in the history of the tournament that such a thing has happened.

Well done, Bullpups! May you continue your winning ways at SHS.

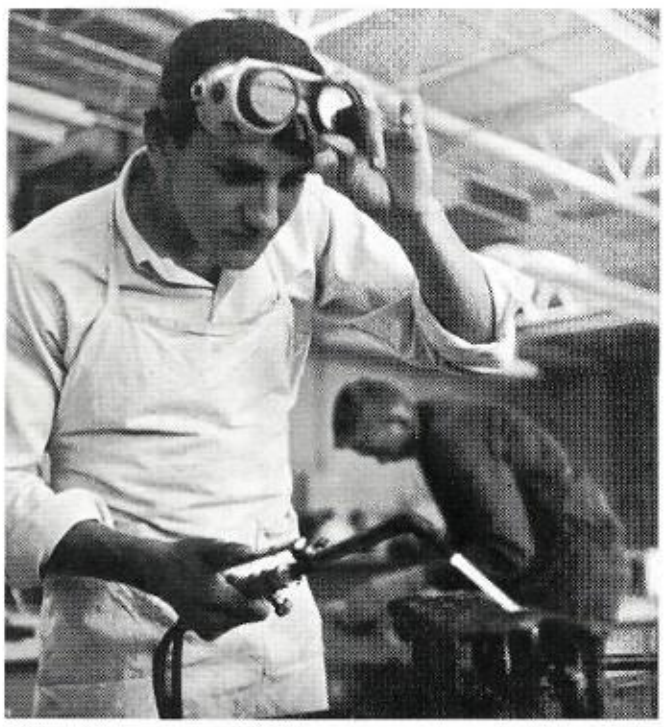
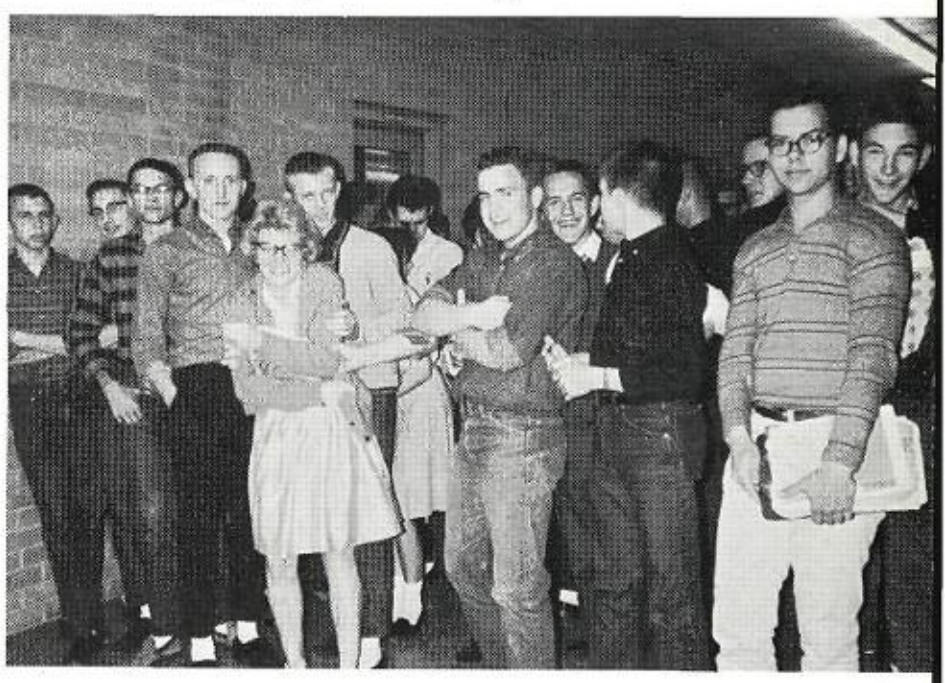
"When shall we three meet again" might be said of physics students Kenneth Sisco, Wayne Wycoff, and Jerry Decker.



Howard Cook seems puzzled by the light of his torch.

The same crew can always be found at the "iron curtain" waiting for period 5 to begin.



Lyle Darnell shows the steady hand that made his shop work so outstanding.

The Senior Adjustment Program proved a success during its first year of operation.
